

Free Household Disposal Packing Material and Rechargeable Batteries

The Operations Facility at 37th Street and D Avenue will accept for free the disposal of packing material and small rechargeable batteries.

Packing material includes large Styrofoam pieces, plastic bubble wrap and packaging peanuts. We require that all loose packing material be bagged and tied closed. No cardboard please.

Recyclable materials such as cardboard, paper and plastics are excluded from this service and should be placed out for pick up by our recycle provider, Waste Management.

Brand name alkaline batteries such as Duracell or Energizer are made in the USA and are OK to place in your garbage can.

Please check in at the Operations office, Monday through Friday, 8:00 a.m. to 4:30 p.m.
