Public Hearing – Parks & Recreation Comprehensive Plan Amendment

Chair McNett announced the public hearing for the Parks & Recreation Comprehensive Plan Amendment. Ms. Libby Grage, Planning Manager, provided a brief presentation on the proposed updates on the two plans and that these updates correspond to proposals in the 2016 Comprehensive Plan. Ms. Grage then introduced Jonn Lunsford, Parks & Recreation Department Director, to provide an overview of the changes being proposed.

Mr. Lunsford thanked all the volunteers that helped the Parks Department achieve many goals and the generous budget provided by the City Council. Mr. Lunsford outlined the public process on the development of these plans to date and included updates to the comprehensive plans are necessary in order to qualify for grants from the state.

Questions from the Commissioners included whether any substantive changes to the plans have been made since the beginning of the process to which Mr. Lunsford provided that there have been none.

With no further comments, Chair McNett opened the public hearing.

Martha Hall, 2617 16th Street, Anacortes. With no further public comments, Chair McNett closed the public hearing.

Commissioners discussed funding sources for the parks, priorities, endowment funding, Guemes Channel Trail access, and concerns regarding permitting for projects.
