Anacortes City Council Minutes – July 6, 2020

Mayor Laurie Gere called to order the Anacortes City Council meeting of July 6, 2020 at 6:00 p.m. Councilmembers Jeremy Carter, Anthony Young, Ryan Walters, Christine Cleland-McGrath, Carolyn Moulton, Bruce McDougall and Matt Miller all participated in the meeting in absentia via video conference.

Announcements and Committee Reports

COVID-19 Update: Mayor Gere reported current COVID case statistics for Anacortes, Skagit County and Washington State. The mayor indicated that current case rates in Skagit County would preclude moving to Phase 3 of the Safe Start Washington plan anytime soon. She responded to citizen queries about the state requirement for wearing face masks in public.

Mayor Gere responded to citizen queries about the July 4, 2020 patriotic protest in the Central Business District and the private weapons visible at that event, noting Washington State’s open carry law. Several councilmembers expressed their thoughts regarding the demonstrations.

Finance Committee: Mr. Walters reported from the committee meeting on June 24. He summarized the committee’s discussion of the Parks Department proposal to contract for the 2020 sailing program, COVID impacts on sales tax revenue which were less than had initially been feared, the affordable housing sales tax that went into effect July 1 and the related funding contracts under negotiation with the recipients, and the report from Fiber staff about planned expansion of the municipal broadband network.

OTHER BUSINESS

Resolution 2094: A Guide for Expanding Restaurant and Retail Space in the Central Business District
Planning Director Don Measamer noted that he had amended and circulated the agenda bill for this item earlier in the day; the amended version was added to the packet materials for the meeting. Mr. Measamer presented the resolution and the referenced guidelines as a means of furthering economic recovery from impacts of the COVID pandemic. He reported that the governor’s office had confirmed earlier in the day that the proposed use of the street would be allowed under Phase 2 of the Safe Start Washington plan.

Mr. Measamer and Mayor Gere shared a range of feedback from downtown retailers regarding the proposed closure of Commercial Avenue between 10th Street and 2nd Street and discussed configuration of side streets to provide access to customers. Councilmembers shared their thoughts about timing and operational details for such a street closure. Councilmembers all supported a trial run of the closure sooner rather than later, prior to Phase 3 and prior to arrival of the parklets in August. After considerable discussion, Mayor Gere summarized that staff would bring back a more specific plan to close Commercial Avenue to traffic and open it for retail operation in the street from 5 p.m. on Friday, July 17 through 10 p.m. on Saturday, July 18. Council deferred action on Resolution 2094 to a future meeting.

Letter of Intent: Hydrothermal Processing System to Treat Wastewater Biosolids
Public Works Director Fred Buckenmeyer provided an in depth briefing on the proposed letter of intent and the reason for investigating this alternative technology to eventually replace the current wastewater treatment plant incinerator. Mr. Buckenmeyer advised that the City Attorney had reviewed the letter of intent and deemed it non-binding. Councilmembers supported the feasibility study and outlined the additional information they hoped to obtain from such a study.

Mr. Young moved, seconded by Mr. McDougall, to authorize the mayor to sign the letter of intent. The motion carried unanimously by voice vote.

There being no further business, at approximately 7:25 p.m. the Anacortes City Council meeting of July 6, 2020 was adjourned.
