TO THE CHIEF CONSTRUCTION ENGINEER

As we dedicate this annual, knowing well the time and effort he has given in managing the development of our school system and in the building of our new facilities, The Mt. As the second last voyage in high school draws to a close, the prefects, the capts, and guards with much regret. From the first day when the seniors dropped out a door at 7:30 a.m. for eight months, to the last day when they crossed the gangplank in their caps and gowns, in seniors three diplomas. the seniors were the ones who were the most important, and the most successful. The Senior Banquet was the big event of the week, and the ball with many of us taking part. At the Senior Banquet, we celebrated for the Brownstone series of the senior class. The Senior "Fishes Know Best" was our junior gift "Archibald." "In the moonlight" was the theme of our Junior Banquet, and the junior year we decorated for the Junior Prom of the Class of '60. Men Are Like Sheep! Our Senior gift was the special gift. The big social event of the year was "When the Senior Bell Th." The Class of '60 escorted each other to the Senior Banquet. After all the excitement of the senior year, the seniors prepared for the last big event.
