Our Historians

The Anacortes Historical Society is a group of five civic-minded men and women who are interested in keeping alive the rich past of Anacortes. The members, all graduates of Anacortes High School and long-time residents of the town, are Mr. Douglas Burton, '48, Mr. Wallie Funk, '41, Mr. Lloyd Foster, '09, Mrs. Anne Beason, '22, and Mrs. Madge Stafford, '12. The society has gathered a large number of pictures, antiques, and newspapers of the earlier days of Anacortes. These historians have provided the annual staff with much valuable resource material for the 1960 Rhododendron.
Our Board of Education

Through the years citizens of Anacortes have given our school the benefit of their time and ability in serving as members of the school board. The members of the present board are pictured below. All of them, with the exception of the Reverend Gralee and our superintendent, Mr. Fleming, are former graduates of our high school. Members of the 1940 board of directors were known as Trustees. They were Mr. W. E. Robinson, President; Mrs. Kate Whitney, Secretary, and Mr. Fred D. Carliweight, whose son recently served as a member of the school board.

Standing, left to right: Mr. John Reid, Mr. Don Muir, Mr. Charles Williams, Mr. Clarence Henning. Seated: Mrs. Lorna Fyett, Mrs. Phyllis Boulton, Mrs. Nunnit Hollister, Mrs. Betty Thatcher, secretaries.
In 1910 our school administration was embodied in one man with the title of administrator, who performed all of the many responsibilities necessary. As our school has grown, the activities and curriculum have also greatly increased the complexity of administering our school efficiently and effectively. Today, the administration consists of a superintendent of public schools, a director of curriculum, a principal and a counselor, who are assisted by their secretaries.

Since 1910 our faculty has been increased in number from five to forty teachers. During the last fifty years many new courses of study have been added to the curriculum which have enabled the students to achieve a more comprehensive education. In addition to preparing lessons for each of their classes during the day, many of the teachers devote many hours of their spare time to supervising our organizations and activities.

Outstanding Seniors

1960

It is a tradition in our high school for the seniors each year to select the ten most outstanding members of their class. These students are chosen for this honor on the basis of scholarship, leadership, and service to the school.

The students shown on these pages have demonstrated their abilities in handling the many activities at Amosota High School. Through their leadership our school has achieved an admirable record in scholarship, music, drama, athletics, and student government. The class of 1960 is proud to acknowledge the abilities of these, its most outstanding students.

When you read these lines, my year in the United States will be nearly over. My wonderful, full of surprises year among you . . . .

I know I'll never forget this green island and its lovely people. I'll never forget Anacortes High School and the students who were all very friendly to me. I liked them all, the days in Anacortes, the friendly teachers, the students and the school.

What fun I had at all the football and basketball games and all the other activities. There was fun, too, in the classes I attended. The teachers here were such helpful people. My whole year's experience was just wonderful!

I hope to see you again in the future.

With all my best wishes always.

And have you Professor Crother's notes on the history of human life here?

St. Crowell's all worked up here about George Gibson's retiring from baseball.

Isn't she making a lovely bride?

Thank you, Mr. Webb. Now, is there anyone in the audience who would like to ask Editor Webb anything about the town?

Loveliest wedding I ever saw. Oh, I do love a good wedding, don't you?

Why do I have to get married at all?

—Sealed, it's the worst scandal that ever was in this town!

George, please don't think of that. I don't know why I said it.

Honor Society

Promotes Scholarship and Leadership

The Alpha chapter of the National Honor Society holds as its principle: leadership, scholarship, character, and service. Each year Honor Society awards to a college bound senior the Mary Carter scholarship, so named in honor of Miss Mary Carter, who was for many years the club’s adviser.

Honor Society, under the direction of Mr. and Mrs. Robert Renz, started off the year with annual installation and initiation banquet. During the rest of the year, the society has been busy with various projects of service to the high school.

Hi-y

Is an Active Service Club for Boys

Hi-y holds as its purpose: "To create, maintain, and extend through the school high standards of Christian character." For the past three years, the Anacostia club has received the award for the outstanding Hi-y Club in the district, a notable achievement.

Hi-y boys sell candy for the World Service Organization, which is affiliated with the Y.M.C.A. The club also helps the Rotarians with their annual orange sale, sponsors dances, provides telephone directories and sells posters. Hi-y has performed a service to the school the past few years by supplying raffle busses to out-of-town parties. Each year Hi-y members attend a college football game together.

Our Girls' Athletic Club

Enjoys a Year Full of Activity

Girl's Athletic Association, under the leadership of Miss Stapp, provides an opportunity for girls to earn a chevron in basketball, speedball, volleyball, badminton and bowling. Every Tuesday and Thursday evenings after school the members of G.A.C. can be found in the gymnasium developing skills and coordination in one of the many sports offered. Each year a basketball play day is held in Amherst in which girls from all over the area participate. This day gives G.A.C. members the opportunity to meet and make friends with many other girls who have the same interest in athletics.

Big A

Is Our Lettermen's Organization

Big A is a club for all boys who earn a varsity letter in any sport at Anacortes High School, either as a player or as a manager. During the year Big A maintains a paddle squad to keep order at home football and basketball games. Toward the end of the year, boys who have won their first varsity letters are initiated into the club by enduring a humbling but often comical ceremony both at the school and at Lake Cranberry. Big A members wear their letter sweaters proudly, knowing that they represent work, devotion and sportsmanship.

Drill Team is an organization for girls who enjoy participating in precision marching. The team maneuvers with the band at various parades held throughout the year. This year Drill Team has also sponsored a kickside and a chance for its members.

The Anacortes Seahawks completed a creditable season this year with a record of five victories and five defeats.

OAK HARBOR 11 - 25 ANACORTES—Three long runs and a hard-working defensive squad served these up for the Seahawks.

FERNDALE 0 - 20 ANACORTES—Both teams were held scoreless in the first half on the rain-soaked Ferndale field, but Anacortes came back in the second half and scored four touchdowns for their second shutout of the season.

MARYSVILLE 6 - 41 ANACORTES—The Hawks ran roughshod over the hapless Tomahawks with the highest score achieved by an Anacortes team in five years. The fine passing and running of quarterback Ken Moore sparked this decisive victory.

MOUNT VERNON 11 - 6 ANACORTES—The Seahawks went into this one with the idea of evening the Bulldog's Homecoming. Early in the second quarter Kent Ashworth grabbed a pass from Ken Moore and ran sixty yards for the Anacortes T.D. Tense stuff, it was Mount Vernon all the way with touchdowns in the second and fourth periods.

BURLINGTON 14 - 7 ANACORTES—Several times in this game, which was Homecoming for Anacortes, the locals penetrated deep into Tiger territory but were unable to score until the final three minutes of the game. By that time, however, the score had been decided as Burlington had gotten two quick touchdowns during the second quarter.

EDMONDS 14 - 7 ANACORTES—Anacortes spotted Edmonds a touchdown and P.A.T., during the first quarter, but Edmonds came back in the second to tie the score 7-7. From there on it looked like the game would end tied, but two minutes before the final buzzer, Edmonds scored another touchdown to end the Hawks' hopes.

SNOHOMISH 7 - 19 ANACORTES—Anacortes was finally able to end its losing streak with a decisive victory over the Snohomish Panthers. Darel Ballardbauer, substituting at quarterback for Ken Moore, who was out for illness, did a very creditable job in leading the Hawks to victory.

O'DEA 0 - 98 ANACORTES—The Seahawks avenged their last season loss to the O'Tea Irish by manning the visitors. Anacortes scored in every quarter and Terry Toland kicked three of the P.A.T.'s and threw to Ashworth for the final one.

SEDRO-WOOLLEY 14 - 7 ANACORTES—The Sedro Woolley Cubs scored early in the first quarter but the Hawks came back to tie the score 1-7. The fourth, however, saw Sedro Woolley get two quick touchdowns to stretch the Hawks' hopes for a victory.

PORT ANGELES 31 - 6 ANACORTES—The Roughriders, rated seventh in the state, arranged their last year's loss to the Seahawks with a decisive victory on the 26th at Sedro Woolley field.

The tall and talented Seahawks opened their huge season against Bellingham, shellacking the Raiders 65-34. The Hawks, labeled as "The Twelve Angry Men" because of the unfortunate turn of events that eliminated them from competing in last year's state tournament, went on to win Oak Harbor 52-48, Highline 58-39, and powerful Snohomish 55-36 in that order.

During Christmas vacation, the Seahawks met the Renton Indians, rated as the number one team in the state, in a non-league match. It was a far more exciting game than the 52-49 Renton victory indicates.

With most of the non-league games completed by the first of the year, the Hawks won their next 9 successive league games. The only blemish on their league record was a 58-47 loss to Mount Vernon, the first Bulldog victory over the Hawks in five years. But the Hawks recovered and went on to win their remaining four games to clinch their seventh consecutive league title.

The key factor in the Seahawks' success this year was their overwhelming bench strength. Coach Taylor could use almost any combination and come out with a winner. Congratulations go to Coach Bill Taylor and his fine team for an impressive season.

On to State Seahawks!

Captain Fred Groxwall receiving Northwest Championship trophy for 1st Place.
Washington State A. A. Tournament

STATE TOURNAMENT 1960

Anacortes opened its state title bid with a 52-42 victory over South Kitsap. The Seahawks began slowly but pulled away to a 15 point lead in the fourth quarter. Victory was never in doubt as Evans led the Seahawks with 18 points. The unseeded Hawks stunned the Fort Vancouver Troopers next with a score of 55-46. This success proved to be the highest single game effort in the tournament. Spirits for the Anacortes team with 19 points, followed by Crowell with 18. The Seahawks' hopes for the championship were now very vivid. Friday night they met the Renton Indians in the semifinals. The winner of this upper bracket game was favored to capture the title the following night. These teams were rated as the best defensive clubs in the tournament, and the game lived up to this. The Seahawks jumped to a quick lead, but the taller Renton team, who later won the first place title, over the Hawks down and finally won the game 48-37. Crowell led the scoring with 19 points. In their final game the Anacortes five met the Ballard Beavers, the Associated Press' choice for the number one team in the state. But the Seahawks, not to be denied, won their game and clinched the third place trophy with a score of 52-43. Reeling the Metro League champs more than behind the wounds suffered from the Renton defeat. Thus it was that the Seahawks emerged with third place in the state and the third highest achievement ever made by an Anacortes team. Individual honors were awarded Fred Crowell, who was placed on the all-state team; Bob Evans, nominated to the all-state third team; and Jim Spitzer, who received honorable mention. Well done, Seahawks!
in State
This year's wrestling squad completed the most successful season ever achieved by an Amherst team. In the early part of the season, due in part to injuries and sickness, the wrestlers showed little of their power and abilities which were later to emerge. They lost three of their first four matches; to Burlington, Selah-Woolley, and Oak Harbor.

After the Christmas holidays the Seahawks returned to the task of building a strong team. In the first two league matches of the regular season, they defeated Oak Harbor, 27-24, and overwhelmed a weak Puyallup team, 53-3. The Seahawk matmen next beat the Burlington Tigers for the first time in Amherst history by a score of 21-20. Mr. Vernon was the next team to fall before the onslaught of the powerful Hawks. The next match, which pitted the Seahawks against the powerful Selah-Woolley club for the league championship, saw the Hawks defeated by 1 point. That score, 24-21. The Hawks came back, however, and finished the season by beating Everett, 25-18, and losing, for the first time in league history, to Edmonds, 23-40.

Of the eleven Wrestlers sent to the District meet in Burlington, six men placed. These were: in first place, Dick Wooding, Mike Cotton, and Dan Sullivan; Jim Hatten and Ron Cain captured seconds, and Alton Williamsby took a fourth. As a team, Amherst took third and qualified Wooding, Cotton, Cain, Hatten, and Sullivan for the State meet in Pullman.

Amherst showed their real strength by placing third in the state meet. Dan Sullivan captured the State Championship, Mike Cotton and Dick Wooding took seconds, and Jim Hatten took a fourth place position. Bill Wellk was unable to wrestle in any of the tournaments because of sickness, and was greatly missed along with John Sullivan, who was unable to complete the season due to an arm injury sustained early in the season.

With the return of ten lettermen, the Seahawks’ hopes were high for a considerable improvement on their previous season’s record of 13-5. Five seniors with experience ranging from one to four years made up the nucleus of the club. The pitching chores lay mainly on the shoulders of Fred Crowell, a veteran hurler. The infield, backed by Ken Moore’s four years’ experience, played tight defense throughout the season. Strong arm and good speed provided a basis for Coach Taylor’s expressed confidence in the infield. The Seahawks’ hitting, although sparse at times, seemed to be greatly improved.
