Student Body Officers

Attending Boys' State at Gonzaga University and the Southeast Leadership Conference last summer prepared President Alan for school leadership this year. The Constitutional Convention idea originated there along with effective means of student government. Leading Board of Control proved to be a challenge in developing meaningful projects and sparking more interest from the students in student government.

Dick did an outstanding job this year in exciting school spirit and making lively pep assemblies. Organization of the Boys' Pep Club is credited to him, along with many well planned competitions between classes or girls and boys for the pep jug.

The first girl ever to be business manager at AHS is Nors. She proved herself very efficient in selling student body cards, handling school funds and arranging after-game dance sponsors. Eric was a willing helper in time of need, in addition to contacting bands for dances. Removal of the apple machine in late fall from lack of profits meant one less responsibility for assistant business manager.

Being secretary demands a lot of listening and writing which Kay has been kept very busy. Besides taking, typing and mimeographing the Board of Control minutes, she assumed the task of corresponding with various high school student governments to arrange for the day's exchange visits between schools.

Besides individual duties, the five officers worked closely together on other projects, representing our school at later High Council meetings and organizing a Christmas raffle food drive for the Boys' Ranch Home.

Accomplishments of BOC this year included a study and revision of
the school constitution in order to
broaden student power and govern-
ment. Mr. Russell and Mrs. Beaud
advised the student body officers and
I've selected members of each class
at the Constitution Convention.

We also voted to turn the former-
club-operated concessions at the
games over to the Senior Class to
raise money for our graduation cele-
bration. In order for band to buy the
long awaited and much needed band
uniforms, we voted to loan them the
money needed under the condition it
is paid back as soon as possible. The
movie MEMBER OF THE WEDDING
was chosen by a special committee
to be shown to the student body so
BOC could sponsor a movie's bus to
encourage team support. We also
used student body funds to buy a tree
as a replacement for one stolen from
a local citizen's yard at Christmas.
The cheerleaders this year worked hard and because of their dedication and enthusiasm they were able to inspire many wins. Under the leadership of Captain Brenda Leadership, they had an interested and involved student body. As cheerleaders, their spirit glowed and they stirred up plenty of pop and noise.

Participating in a statewide cheerleading conference, our cheerleaders received a first-place award in final competition.

Also on the squad this year was a crew of boys who were a source of laughter and originality.

Choir
Junior Band: auditions for Chamber Choir, Kathy Fraser accompanying and Maggie Cooney watching.

There were 104 members in the concert choir this year. It is one of the largest choirs AIS has had in a number of years. Christmas and spring concerts were given under the excellent direction of Mr. Gary Welch. In hopes of buying new robes, the choir sold Christmas cards.

Chamber Choir gave numerous performances for various clubs and organizations throughout the school year. Christmas concerts were also given for each of the elementary schools.

Three of the members of our choir were chosen for the All State Choir. Tony Carabba, Ron Swalling, and Larry Hansen were selected for this great honor.
A.H.S. Concert Band
The Anacortes Concert Band, under the capable direction of Mr. Bill Love, is kept busy throughout the school year. The band can be found at all school, football and basketball games providing pep music for the fans. They also participated in the Christmas and Spring Concerts and the Christmas Parade.

Stage Band, a special section of the Concert Band, sponsored a Valentine's Day dance in addition to performing for various clubs and organizations.

In the spring, the Concert Band will go to Canada to march in the annual Victoria Day Parade.

People to People

This year ten students and two teachers are participating in the People to People High School Ambassadors Program. These students were chosen for their school records and interest in people and international affairs. Orientation began a month before the trip, including visits to the United Nations and discussions on the areas to be visited. American participants will be leaving Seattle on June 21st and flying directly to Washington, D.C., for orientation. The journey throughout Europe includes a home stay in Amsterdam, Vienna, and London each four to five days long.

The aim of the High School Ambassador program is to further international understanding and present a true American image abroad. Emphasis is placed on cultural and historic sights and personal contacts with students and adults of other countries.

1969-1970 was a long year for Anacortes Basketball. Coach Homer Anderson's varsity suffered through a season where they lost more games than they won.

Seeded seventh into the District Tournament, the Seahawks played sound ball to beat Lake Stevens and Burlington. Fourth place was awarded to the team after two losses to Arlington.

At the Winter Sports Banquet, Mark Hickinger was awarded the Anacortes American Invitational Trophy. Gary Gage was voted the Most Improved Player, and Dick Lunsford received the Captain's Award.

Five members, Dan Tibbles, Gerry Rivers, John Calvin, Fred Powers, and Everett Habib were sent to Regionals. Tibbles continued on to state with a third place finish at Regionals. Hawks stacked up for Oak Harbor's conversion attempt.
Sideline instructions are given to seniors Sullivan and Colvin by Head Coach Copenhaver.

The 1969 Seahawk football team finished the season with a 5-4-1 mark. This left them in a six-way tie for second place in the league behind Triple A Snohomish.

Of the Double A teams in the league, Anacortes scored the most points and had the least number of points scored against them.

Anacortes' season was highlighted by a four game winning streak in the middle of the season.

Coach John Day watches the start of the Burlington game.
Anaconda's Football season was highlighted this year by a 20-0 Homecoming victory over Maryville. Throughout the year the Sea-hawks got most of their yardage on the ground. This game was no exception, with Coolley, Bowan, and Wilbur scoring the touchdowns. The defense did their part by keeping the Maryville team near midfield for the entire game.

At the Eagles Football Banquet senior veterans were awarded letter jackets. Jerry Coolley was elected captain for the season. Mike Morgan was picked by his teammates as the most inspirational player. Seniors Dee Amick and Mark Flickinger shared the Most Blocker and Tackler honors. Junior Mark Hart was given the Most Improved Player Award.
Leading the Hawks on the conference all-star team was captain Jerry Cooley. Jerry ran for over 800 yards in league action and averaged over 5.8 yards per carry. As defensive linebacker, Cooley was given honorable mention.

Senior tackle Mike Morganhaler was picked for first-squad defensive and second-offensive team. Mike starred for Coach Oglesbee all three of his high school years.

Named to the first team as a defensive back was junior Craig Taylor. Taylor picked off five passes in a single game and had a league leading total of nine interceptions.

Several named to second team offense were Richard Hargland, Mark Nibert, and Mark Flickinger. Hargland was an end, Nibert and Flickinger as interior linemen.

Honorable mention on offense were guard Steve Schimshen, end John Calvin, and tailback Jack Bowen. Defensive honorable mentions were Dee Austin, Greg Wahl, Ray Wilbur, and Jeff Sprague.
Cross Country "69"

Completing the first winning season in the history of cross country at Anacostia High, the
Anacostians, this year ended up with
a 2-1 season record. Hard work
and dedication proved to be the
determining factors. The members
ran up to seventeen miles a night
and often got up before school to
run three or four miles. The team
kept improving as the season
progressed, climaxing with a first
place finish at the league meet.

Dan Tidball was elected captain
and Fred Flowers got the inspira-
tional award.
