Workout for Bell and Williams on "D"
The 1972 Seahawk football team finished the season with a 4 win-6 loss mark. The season was highlighted this year by a 26-7 Homecoming victory over Sedro Woolley. The Seahawks gained most of their yardage in the air with junior quarterback Doug Knutson leading the league in yards passing and senior tight end Larry Burtness top man in pass receiving. Larry Burtness was also voted to the All Northwest League First Team, a great and well earned honor.

The annual football banquet was held and senior veterans were awarded with letter jackets. Roy Brown was selected as captain for the season and was also picked by his teammates to receive the Most Inspirational Award. Larry Burtness nabbed the Most Improved Player Award while Rick Horn and Ed Anderson were awarded best blocker and best tackler respectively.

The success of this year's football team can be attributed to good coaching and hard work.

As the season record indicates the Hawks not only experienced a winning year but a bazaar season. It was filled with bomb blasting victories, down to the wire contests and a lone blemish inflicted by Oak Harbor on their court. Injuries and sickness plagued the purple-white machine but with strong reserve power, the Hawks kept winning. The close of the season found Anacortes far in front of the league competition with only one loss. This gave them an ideal tourny play-off berth. Larry Burtness served as team captain along with nine other dedicated players and a number one coach. This combination gave Anacortes a team they could be very proud and honored to call their own.
