Thoughts of the Class of '77

In leaving we feel we have won,
We set back our shoulders,
pull our chins up,
and prepare to begin all over.
And yet, time brings back memories,
And suddenly we realize that in
leaving we not only won, but lost...
lost those moments that are now memories;
our jokes together,
being young together,
when we were one...
And now we look back on those memories,
and feel thankful—
thankful for the times that seemed to
touch each and everyone of us.
so beautifully...
