Head Coach Dick Andrew

Coach Burrill looks on.
This year's varsity football squad was certainly a hardworking group and a pleasure to coach. The year had its high and low points but the athletes stayed together as a group and begin to show signs of playing competitive football in the N.W. league. I honestly believe the program gained needed respectability within the school and the league this year. The seniors, although few in numbers, are to be credited for their dedication and commitment to the program. Their efforts certainly played a big part in gaining this respectability. With the number of people returning the future is bright for Anacortes football and we all look forward to future successes in the program.

Coaches Comments

Our season started off with a big bang. We played our best tennis the first three weeks. Half way through the season we were plagued with illness. It was at this point we played and lost to Sehome. We never quite came back after that. We felt we should have had them but couldn’t pull it out.

As a coach I couldn’t ask for a better group of girls to coach. Even in defeat they held their heads high. Most of our talent will be returning next year and if determination means anything we’re out to double our number of victories.

Murphy shows disappointment
Dixon’s Dialogue

Seahawk Volleyball continued to improve this season, however, in the win-loss column the 79 squad did not look successful. The sad part of this is that the seniors, Donna Peyton and Toni Brokaw, did not participate in a winning season their final year. The better part is that the Seahawks will be playing with more experience next season that the team has ever had.

The coaches and team members continue in their efforts to soon bring a winning volleyball season to AHS.

MEN'S VARSITY BASKETBALL

Head Coach Borgen:

Our goal was to go to the state playoffs and win the district. We would've liked to have gone further and won more games along the way, but we were aware of where we wanted to be at the end of the season and we accomplished that.

I have never had a team I've enjoyed working with more. They were hard workers who had a lot of pride and were gentlemen on and off the court.

I'm grateful to the previous coaching staff. Loren Anderson and Ray Frier were very much a part of what happened this year.

The cheerleading staff did a great job all year. The fans really stood by us.

This has been a very rewarding year.

SWEETHEART A
This year's team was quite young, with only one senior on varsity. The team was led by the doubles play of Scott Anderson and Erik Papritz, and singles play from Rex Bash and Jeff Jordan, Bret Lunsford, Steve Taylor, John Kipp, and Freshman Rich Papritz also contributed greatly.

Third year coach Dave Starkovich is highly respected for his positive influence and for being a great guy.
