WE began production of this book in hopes that our financial problems would soon disappear. Thankfully, we weren't disappointed. This, plus the support of the administration, faculty, students, and community, has helped the 81-82 Rhododendron crew to develop a high quality yearbook. We owe many thanks to Mr. Vadset, who is retiring as annual advisor this year. He has served in this position since we seniors were tiny tots! Goodbye, Advisor Ed! And good luck to all future A.H.S. annual staffs. You have an exciting and challenging job ahead of you... but it just won't be the same without "Shag"!!

Doing Her Natural Thing.
Formerly known as "Hi-Y", this year’s Youth and Government club has been very active. At the District One elections in January, Anacortes delegates claimed seven of ten offices, defeating some very experienced individuals from Bellingham, Ferndale, Everett and Mount Vernon. Leading the way was Jeff Morris, the “odds on” favorite for the position of Governor. The Washington State Youth Legislature session in April should prove to be very rewarding for the 81-82 crew of officers, legislators, reporters, lobbyists, and judicial participants from A.H.S.

Future Business Leaders of America is a national organization for all young adults in high school interested in the business field.

This year our chapter has participated in many activities. They include: sponsoring the Homecoming Dance, the Powder Puff football game, hosting and serving refreshments at Open House, selling tickets at the Jester Hairston Concert, and hosting the FBLA Officer Installation for high school's in this area.

We also like to get involved in the community and we have had an opportunity to speak at several service clubs and help with the Skagit County Christmas Party for the underprivileged children held in Anacortes.

Coach Andrew
"The 1981 football season could best be characterized by two words...frustration and disappointment. Frustrating because the football squad worked hard and disappointing because the rewards for that effort were few. From a coaching standpoint I was proud of the honest and solid efforts put forth by all squad members. We played exciting football and overall, defensively and offensively, were more competitive than any group I've coached at Anacortes. The "81" squad is to be commended for their efforts and a special thanks to the seniors, who I know felt the frustration and disappointment more than anyone. What they can be proud of however, is the tradition of hard work and effort which they will leave in the Anacortes football program."

"We were in a tough league this year, with Burlington-Edison and Ferndale dominating. We started out weak and continually grew during the year. Our seniors gave us great leadership, and our underclassmen got a lot of court time. Many thanks to each team member for making an unimpressive win/loss season into a fun, exciting and growing year."

“The 1981 tennis season came as quite a surprise. The team ended up with a 5-6 season with only one returning varsity player. Summer practice is very important to a tennis player since our competitive season is only 4 to 5 weeks long. Many of our athletes put in a lot of hours on the court last summer and progressed from beginners to experienced tennis players. More important perhaps than our win-loss record was the type of people we had out this year. Winning and losing comes the majority of the time from natural ability but team spirit comes from the heart.”

"This was a competitive team and an enjoyable team to coach. They upheld the tradition of Anacortes Cross Country by being one of the top teams in the league. In an attempt to "skunk" an opponent they set a school record for the lowest team score. For a few this was the season of the "proper chase."

Instrumental in this team's achievements this season were Co-Captains and All-League selections Dean Janz and Steve (Smiley) Johnson."

DISTRICT: Lost to Lake Stevens 61-72

League Record: 9-7
Season Record: 9-12
"1982 was a growing season for Anacortes Boys' Basketball. This year's team was one of the youngest in Seahawk basketball history. The team was made up of juniors and sophomores.

The Seahawks started out slow, due to injuries and inexperience, but by the end of the season, the young Hawks were in third place and on their way to the district playoffs. Highlighting the year was our six-game winning streak and turnaround wins over Arlington, Stanwood, and Bellingham.

A group of eight players shared most of the action for the season. These fine players were juniors Mike Wilbur, Rob Hoxie, Jon Lunsford, Mike Ferguson, Nick Mavar and Steve Lake, along with sophomores Dave Lowell and Todd Harris. Jon Mavar and Morgan Finseth also logged varsity time.

With a dedication to hard work, defense, and teamwork, next year's Hawks could be an outstanding team."

The swimmers from Anacortes swam very well at the regional meet, placing 5th again for the third consecutive year. Again, Anacortes was paced with a few outstanding individuals who kept them in the dual meets, but team strength was hurt by the lack of depth. Bill Maynard and Doug Stewart will represent Anacortes at the state championships at the University of Washington on March 5th and 6th.
