Footsteps

They pass so close, the people on the street.
Footfall, footfall,
I know them from their footfalls eulking bear.
Footfall, footfall,
The rippling, tangerine, and the heavy feet,
I hear them call.

I am the dance of youth, and
time is fast!
Footfall, footfall.
I am a dream, divinely unaware!
Footfall, footfall.
I am the burden of an old despair.

**Business Manager:** J.L. Werneke

There have been many changes that are affecting the entirety of our student body. Most people look on the low level of participation in many of our activities and simply blame this on apathy. I believe there is much more to it than just disinterest.

Teenagers of today are being left with a society that has fallen out of touch with nature. All of our technical and industrial advances have come to a point where we are nearly beginning to neglect. It's up to our generation to bring back the human touch to communications, a burden never faced before, and it is really changing all of us.

FOREIGN EXCHANGE

Gaeko arrived the summer from Ymala, Sweden, and is staying with the Reenock's. Gaeko likes A.K.S. but she says that the women are all mean. In Sweden, they drive the Ymala, disco, and sell flowers. This year Gaeko participated on the Girls Swim Team. She also was a member of Youth and Government and T.S.A. Gaeko is enjoying her stay in Amherst.

Jonas Sjoergen

Hannele Vitrinen

Hannele came to the United States from Hapara, Finland. She came through the educational foundation for foreign study. She finds Americans a party and she especially likes the mountains and ocean. Hannele likes A.K.S. She says people are friendly and school is better. Her favorite classes are Silver's Lit. and Paterina's Living. Hannele enjoys soccer, basketball, and Etkat's baseball. In Amherst she also Cross Country. During her stay in Amherst, Hannele expects with the Swedish girls. We hope that she has enjoyed her stay at A.K.S.
Mayu Oishi: A historical Foreign Exchange student, currently being with the student body.

She was in A.H.S. and 40 students. She enjoyed drawing, painting, and the New York style. She also had plans for coming back for the girls basketball team.

Mayu feels fortunate to be in America and wants to return to the U.S. to live in High School. She hopes to get a scholarship to study here. She also has a hobby to get into.

Fabrice Barthelemy: Moved from Poitiers, France during his summer of '87 and has been PWCHS for the last two years. He plans to major in Engineering. Although he is very different from Mei, Fabrice and Mei have become good friends.

Izumi Todo: Wishes to study Architecture at the University of New York, University of Vancouver, B.C., and will major in Interior Design. Mei has enjoyed his stay at A.H.S.

KEY CLUB

Key Club is a community service group that has been serving the Anchorage school and community for 22 years. The Anchorage Key Club, which is a national service organization, is recognized as a distinguished and well-established club in the Pacific Northwest Region. We have many new members this year and are looking to re-establish the leadership which also gives opportunity with Key Club.

YOUTH AND GOVERNMENT

Youth and Government is a high school organization for students who are interested in learning about government. As part of our activities, we take a trip to Olympia in the spring where we have the unique opportunity to be Senators and Representatives for a week. To earn money for our club, we sell programs at the football and basketball games.

HONOR SOCIETY

The Annual Staff has worked hard to produce this yearbook. It takes a great deal of planning to get all the materials organized and put together to meet the deadlines set for us by the publishing company. It is also a problem to meet the increasing costs of producing a yearbook. Our advertising staff worked hard to make up the differences in our cost and those funds provided by the A.S.B. Thanks to those of you on the staff who worked hard to produce this year's RHODES CEANON. Here's to the 'Annual Staff' of 1983-84.
The science club is a club for any student who has more than a minimal interest in any of the sciences. We started the year off with the election of new officers and the setting of some immediate and long-range plans. We succeeded in raising enough money to fund several of our planned activities, including a trip to be taken at the end of the year to the Vancouver Planetarium, or the Seattle Science Center, or both.

Future Business Leaders of America is a club designed to acquaint the high school students with the world of business. We sponsored a Business fair for freshman students, and a fashion show with the proceeds going to the Leukemia Funds. We also sponsored a Homecoming Ball. The F.B.L.A. Fall Conference was held at A.C.C. Houston.

Officers: President, Vice-President, Secretary, Treasurer, Editor.
SPANISH CLUB

This year’s Spanish Club has had a good turnout. We were involved in many activities including selling lotteries from Columbus and making posters to give away. Everyone worked hard to make a club trip possible also.

Officers: Maria Snow, treasurer; Lena, librarian; President: Max Argenta; Vice President: Shanna Ross; Secretary.
French Club has worked throughout the year to earn money for a trip to Vancouver, B.C., at the end of the year. To earn money, we sold candy and chocolate mice. We also had several potlucks and a Cabaret Night for parents and friends.
Editorial Policies

1. The feeling of the newspaper staff to help students achieve the following purposes:
   a) To express the opinions of the editorial staff
   b) To deal with issues that are significant because of their relevance to the school and the world.
   c) To recognize areas of personal achievement within the school community
   d) To gain our members to the school with paper subscriptions
   e) To explain thoughts.

2. To provide for maximum variety of viewpoints, a section of the opinion page is allocated for students, teachers, and parents. All letters will be published, and no letters will be edited without the consent and cooperation of the person submitting the letter. All letters must be signed.

As the President of the Performing Arts Class Stage Crafts, we, the Presidential types — Bob and Mike — have been affiliated with a myriad of different people and jobs ranging from "Gopher" to "Head Supervisor" — mostly Head Supervisor — and with this, we have obtained some knowledge pertaining to the Performing Arts. We (the Stage Crew) have deemed that all labor and associated stage roles are reasonably futile where as "Road Trips" have proven to provide the only real source of immediate gratitude and happiness. Therefore, we, the stage crew, extend our sincere gratitude to our principally, profound founders, Mr. Bob Knoll (also known as Big Fella) and Mr. Hopkins for providing us (the Stage Crew) with the opportunity to inject a little of our own flavor to drama as a whole.

Sincerely,

SENIOIRS 83-84

The 1983 Seahawk Football Squad could best be described as a team that played through adversity. The season started on a positive note with a victory over Salfordham, but was followed by four difficult losses. From a coaching standpoint, it was exciting to see our athletes bounce back from this difficult situation and in the last three games play our best of the season. The highlights would be our winning comebacks, overtime win at Stowwood and our Homecoming victory over an excellent Armington Football Program.

I would like to convey a special thanks to our Seniors who continued to make Anacostia Football an exciting and competitive program in the Northern Leagues.

Coach Andrew
CROSS COUNTRY

The 1982 Women’s Cross Country team was the most productive team of personalities that trained after running was all about. The individuals pushed each other and throughout the season produced their best for the week. Coach Daniel Montfort was a steady, constant support leader and was one of many competitive team members. These girls were fine representations of our school and they made the most memorable season for all of us.

WOMENS' TENNIS '83

The '83 tennis season was one of great successes. The girls' team improved their record every year. They had to be bled with adequate young players. The type of competition a young team necessary and a young team against competition. The older girls gave them support when it was needed. The team experienced many but in hand in the improvement. No other team at this level, played them.

Varsity Basketball

The 1984-85 Varsity Basketball team surpassed the winning tradition of Arizona high schools. Despite facing, for the whole season in the N-W league, the best teams in the playoffs, and having a record of 12 wins and 13 losses, astonishingly, despite their lack of size, the team was the number 1 small school team in the Northwest. They also led the league in fewest turnovers, with the lowest team average in the state. The team was led by a talented group of players, all playing well over their host teams. The starting line-up, with each player bringing a strong defensive presence, included the team's captains, David Hill and Todd Brown.

David was the number 3 scorer in the league, and Todd was number 1 in assists. Other standouts were John Mccosk, who led the league in steals, Morgan Evans, a top rebounder, Chris Nelson, a deftly scoring guard, and Bryan Raftery provided plenty of hustle. Mike Scott had a great year as the team's star, and speaking the team was very well. Jim McSwain provided outside shooting, and Merle Speros formed a great backcourt combination.

The team's success was due to the combination of their competitive spirit, teamwork, and confidence in each other.
WOMEN’S BASKETBALL

The year’s events caused our girls’ basketball program success in one year by winning 12 regional games. We hope the effort continues in years to come. Many of these players are from our own and know what we need to work on to continue our fine tradition. Things are looking up for the Hawks.

Coach's Comments

I am really pleased with the progress of the kids that turned out this year. We probably saw more improvement in this group than any I've ever worked with, but we still need more kids.
MEN'S WRESTLING

NOW 1; R. Hendricks, R. Ross, T. Hare, R. Metting, P. Savage. NOW 2; J. Sobasky, C. Wilbur, T. Houston, T. Rodgers, B. McCollum, C. Bates, Coach M. Colson.

SENIORS: John Hays, Chuck 190, Clay 175, Tyler 158, Call 148, Reed 141, Senor 135, Clay 128, Kris 122.
At the start of the season, hopes run very high and everyone felt we would be very successful. These hopes were smashed in our opening defeat to Burlington. From then on the season became a struggle for survival and due to injuries, illnesses and grades, we were unable to survive and attain the individual and team goals we had set for ourselves.

Next season, it will be crucial for all our returning wrestlers to strive to regain the respect of our opponents that we have had over the years.

Boys and girls track at Westminster High School for the 1984 season. A great team with some very good performances by individuals and, of course, for the team. The team who performed well were: Robert Green, Mike Riley, and Johnie Moore. With 100 meter, 200 meter, and 400 meter events, David Young took the 200 meter. Nick Collins also won the 200 meter. The girls team performed well too, with Sharratt and Smith winning the 100 meter. Other events included the long jump, triple jump, and relays. Captains for 1984 were Nick Collins and Bill Vraer.
