Dear Miss Adams,

I am writing to inform you that I am not in a position to give you any references for my work at the moment. I am currently unemployed and have not held a position for some time.

I have heard some complaints from your colleagues that you are not providing adequate supervision and guidance to your students. I think it is important for students to have a strong foundation in their studies and I believe that your approach to teaching may not be the most effective for them.

I look forward to the day when I am able to provide references for my work and contribute positively to the education of our students.

Sincerely,

Dear Harold,

I hope this letter finds you well. I'll be out there among the stars, or wherever. I've been good, and I hope you've been easy on the kids. And I hope things are easy for you, too. You're in the thick of it.

Best luck to you in the future.

FOREWORD

In this book we wish to establish memories that will be dear to all those who have dwelt within "the school on the hill."

By following a Mexican theme, we hope to brighten the pages which in later years will remind us of the best days of our lives.

One need not feel uneducated if he can not read the Spanish captions. The staff have been associated with them for nine months and can't read them either.

Hasta Luego; Amigos!
Dedicación

To Mrs. Gwendolyn Beard, who in her three years at Anacortes Senior High School has produced outstanding results as choir instructor, we dedicate this 1947 edition of the Rhododendron. Mrs. Beard has produced and directed three exceptionally good choirs, one of which received the only superior rating in this district, which includes four other states. She has also directed small musical ensembles that have done remarkable work.

Menos antiquos de la escuela

President: Gordon Rydberg.

A junior who showed great ability in directing junior class activities this year; working hard on all committees and staying on the job until it was well done.

Other junior class officers were: Dick Bergeson, Vice President, and Georgia Silvani, Treasurer, took charge of finances. Both did an excellent job.

The first Junior Class activity of the year was the annual Junior Mixer, held after the Memorial Dedication game. One of the year's best dances, with Jack Goff's Orchestra providing the music.

A big success in December was the Turkey Raffle.

A special Assembly was given preceding the District Tournament and also the "Sweetheart Shuffle Dance," with couples shuffling to Jack Goff's Orchestra.

The Junior Class play, "Spring Fever," was presented May 6th, directed by George Stockman, which climaxed a very successful year for the Junior Class.

Estudiantes del segundo año

Bob Bowen was elected to the office of President of the Sophomore Class following his very successful term the year before. Bob was behind all class ventures and proved himself worthy of the honor which his classmates bestowed upon him.

Under the dependable leadership of their officers, the sophomore class ordered class rings... presented a hilarious assembly on February 14... sponsored a skating party, featuring a mystery auction... and concluded the year with a very successful picnic.

SECRETARY ....................................... BILLIE LAMPHIER
Calandria de escuela menor

With the annual election of the Student Body officers, the Junior High Activity program was under way. Officers elected were: President, Eugene Suryan; vice-president, Jackie Sherman, and secretary, Billy Jean Lamphier. These officers conducted the Student Council meetings during the year.

The highlight of the month of October was the Pep Assembly at which Yell Leaders and Song Teams were elected. Yell leaders chosen were Jackie Sherman, Anita Lu Vera and Charlotte Brown. The girls dressed in striking green and gold outfits. They led yells and songs at both Junior High games and Assemblies.

Newly organized this year was the Junior High Pep Club, which has many enthusiastic members. They met before every game to work out yells and also held several initiation assemblies, with the proceeds going towards a dinner for the basketball team from each section. Under the direction of Mrs. Edna Gerhardt, the 9-1 class presented two skits for an All-School Assembly: "Newspaper Nightmares" and "Buddy Answers An Ad." Preceding the Christmas holidays a new custom was taken up—the different classes exchanged gifts and had refreshments.

For January, the 8-3 class staged an All-Musical Assembly which was highly appreciated by all.

An interesting Assembly was held in March, when an old fashioned spelling bee was held. The participants were the best spellers from each of the sections. In the finals the following pupils won the championship titles for their respective grades: 7th, Jean Hansen; 8th, Sharon Irwin; 9th, Reese Perkins. These pupils represented the Junior high school over the air, on the School Broadcast Series sponsored by station KBRC.

The Service Club, under the direction of Mrs. Edith Pardis, adviser of the club, put on its annual play in April, titled "The First Day of School." It provided over a full hour of entertainment, depicting the first day of school in a country school district. The costumes were very novel and rustic, and the acting was excellent. The cast was made up of the freshmen members of the Service Club. The individual classes held meetings, at which they chose class names, mottos and colors. During the year numerous class parties were held also.

Under the direction of Mr. Clarence Olson, the 7th grade Art classes featured several different types of art exhibits in the show window. The newly organized choir under the direction of Mrs. Robert Beard presented a spring concert which was well received by a large crowd in attendance.

The Junior High School paper, the "Journal," handicapped by the loss of the excellent supervision of Miss Dorothy Barnard, nevertheless, made a very good record for themselves under Mrs. Pardis' leadership. The work was taken over by the office and Anita Lu Vera became the editor. The paper, published monthly contains news of students' interests.

A special initiation assembly for new members was held at the close of the year. This year, each class has been responsible for one Assembly. The 7th grade's contribution was the Minstrel Show, with many students taking part in this very entertaining and fine musical.

Many girls in the freshman class belong to the G.A.C. The Junior High are great sport enthusiasts and at the end of the year a special Sports Assembly was given and awards given out.

Two students from the Junior High arranged an interesting Junior Red Cross display in a down-town store window which attracted much favorable comment. These boys did an excellent job in displaying to the public the fine work accomplished this year by the Junior Red Cross in both the Senior and Junior High Schools.

The freshmen graduation Assembly climaxed a busy year for the Junior High School Students.
Harley! Luck in your Junior year & don't do anything I wouldn't. Lots of luck in your summer & good fun this summer & all.

Coach Richard Wooten completed his twelfth year as a coach with a customary championship team. Coach Wooten has been head basketball mentor for four years and produced his fourth championship team.

Mr. Vaughn Weber, a newcomer, took over as head football coach when Mr. Wooten became ill. Besides producing a fine football team, Mr. Weber coached second team basketball and the tennis team.

The Junior High Sports were taken care of by Mr. Charles Williams, a very able coach, who also coached track.

Touchdown!

Punk covers an end sweep.

The Sea Hawks opened the season with a six to six tie. Their first opponent being none other than the Northwest champions, the Snohomish Panthers. The game was played in a sea of dust.

** ** **

Coming from behind the Hawks managed to slip by a surprisingly strong Edmonds eleven. This was the first night game to be played in the history of AHS, who won by a single point, 7-6.

** ** **

In the third game the Sea Hawks gained sweet revenge in defeating Woolley 19-6, marking the end of Cub supremacy on the gridiron. This was the second straight year for the purple and white.

** ** **

Marysville was game number four on the schedule and almost proved to be the downfall of the Hawks. The game was finally pulled out of the fire and Anacortes came home with a 14-14 tie.

** ** **

Concrete proved no match for the home boys as they ran rampant to five touchdowns while the Lions from the upper valley tallied once.

** ** **

With high hopes of defeating the T-machine from Burlington the Sea Hawks played a determined game, but made too many mistakes in the first half to overcome.

** ** **

On a rain soaked field down Arlington way Anacortes managed to push over a touchdown in the final period, to bring home another well earned victory.

** ** **

Then came that glorious end. The green clad Bulldogs charged onto the field with determination. The manner in which they left is well known by all, as touchdown after touchdown was pushed over by the Sea Hawks.

COUNTY CHAMPIONS

NORTHWEST DISTRICT CHAMPIONS

SEVENTH PLACE IN STATE
The season opened with an impressive 47-15 victory over Marysville. The team looked very good considering the short period in which a starting five was put together.

* * * *

The Sea Hawks continued to roll over pre-season competition. The most impressive of these being the 51-42 defeat of Bremerton, revenging the defeat that we suffered last year at state.

* * * *

La Conner was the first county victim of the Hawks, bowing by the lopsided score of 44-7. La Conner later took the Northwest "B" title.

* * * *

A trip to the Olympic Peninsula was enjoyed by the boys over the Christmas holidays. A good time was had by all.

* * * *

As the season progressed, the battle cry "Beat Anacortes" grew louder throughout the state. Every method in the book was employed by county teams. Mount Vernon even tried sitting on the ball.

* * * *

In winning their twenty-fifth straight, Anacortes won the County Championship and the right to represent Skagit county as Team No. 1. Burlington was defeated by Seattle Prep for the second spot.

* * * *

Anacortes entered the District Tournament as top-heavy favorites. In their first game they were given a scare before winning from Marysville. From there they dumped Lynden very easily and went on to defeat Mt. Baker for the championship.

* * * *

Again Anacortes rated as a favorite. The "big show" was the last hurdle and the boys, as many say, "just weren't hitting." This year's State Meet was the toughest in history, and Anacortes can be proud of their showing.

With improved coaching the baseball team looked very impressive in winning and losing. As Coach Wooten explained the fine points of the game, the team slowly improved into a working unit that was alert and always hustling.

Up until this year, baseball held little interest; but with new suits and an inspired group of boys who played the game to win, many people turned out for important contests.

Front row, left to right: Haglund, Lian, Hill, Tweten. Back row: Strong, McIvor, McCracken, Mower.

TRACK

The track team, coached by Mr. Charles Williams, labored under the usual difficulty of no track. This forces the track team to journey out of town for every meet.

This was Mr. Williams' first year of coaching track here and he was surprised at the lack of interest in track as there was both a district and state track meet.

The track team was built around several veterans while the rest of the 17 or 18 candidates were underclassmen who will be back next year.

TENNIS

The tennis team, under the guidance of Mr. Vaughn Weber, got under way with a full crew of enthusiastic players.

The tennis team this year played much the same schedule as the baseball team, the only difference coming during non-conference games.

The tennis team of last year showed that small schools can play good tennis, and Mr. Weber and his boys were out to make it two championship teams in a row.

The F.H.A. Club — started out year by sending two delegates and adviser, Miss Marcelle Bollum, to executive council meeting at U. of W. — held formal initiation in October — sold hot dogs at all home football games — sent representatives to regional meeting at Edmonds and introduced candidates for state officers — made skirts and jumpers for Red Cross — collected recipes for the State Cook Book — club party on January 6 — donated to March of Dimes campaign — sold ice cream at basketball games — sponsored pep assembly featuring mock basketball game — sold ice cream and telegrams on St. Valentine’s Day — officers attended meeting in Burlington March 5 — sent two girls interested in Home Economics as a future to U. of W. for visit — Lorraine Francin attended Pacific “A” regional meeting at Sun Valley, Idaho, as State representative — sent four delegates to state meeting in Spokane — climaxed year with annual slumber party.
Never missing a game, Charley, Queenie and Joanne dressed in all white outfits, were a big addition to school pep—introduced new yells and promoted general school spirit and sports enthusiasm.

One of the largest organizations in school, the Pep Club was the mainstay in A. H. S.'s rooting section — sponsored pep assemblies — rallies and financed one issue of the Sea Hawk News. The Pep Club was headed by Charles Funk, yell king, and Beverly Rosenblatt, song queen.
The best dressed and peppiest song leaders in the county, Bev Rosenblatt, Annette Bessner, and Fran Maricich led the Sea Hawks singing along to many a victory.

Led by Norine Chiabai, the Majorettes performed at football and basketball games—the highlights of their activities were their performances at the district and state tournaments — dressed in purple and white uniforms they made a good showing for A.H.S.

The Big A was established as an active club this year after several years of dormancy. The club was restarted by the advisor, Mr. Richard M. Wooten, without the usual "rugged" initiation. This is hoped to become a precedent.

Officers elected at the first meeting for the '46-'47 school year were Dick Tweten, president; Gene Lundgaard, vice president; and Tom Lian, secretary-treasurer.

The main effort this year has been to keep sweaters strictly among lettermen and stripes uncovered only as earned.

A section of the rooting section was also fenced off in an attractive manner for its members.
Front row: Thompson, McGovern, Polley, Silvernail, Erickson, Silvernail.
Third row: Hutton, Crout, Brostrom, Clausius, Rosenblatt.

The G.A.C. was a little late in getting organized this year, and, as a result, the tumbling and volleyball seasons were cut short. Basketball, by far the most popular sport, saw the usual large turnout. Unfortunately the frequent change of advisers made it impossible to conduct a tournament. All four classes having had strong teams makes it difficult to say who would have taken the championship. Badminton, which ranks second on the list of sports favorites, boasted a large turnout, also. Nancilou Laing and Joan McGill, tournament champs, found some pretty stiff competition along the way. The G.A.C. finished out the year with baseball.

Oficio Personas

The office force this year was made up of thirteen girls under the guidance of Mr. Allen Veal and Miss Janis Wiseman.

This two credit office practice course consisted of one hour of a commercial subject and one hour of office work per day.

Front: Brown, Owens, Silvernall, Duckett, Wagner, Estabrook.
Back: Gurney, Putnam, Cole, MacDonald, Oldow, Wiseman, Bruneski, Polley.

The library force under the direction of Mrs. Maude Webb was kept busy this year learning general library information, making cards and filing them, cataloging, and keeping the books and shelves in order.

Those taking this five hour course for a minimum of one semester were: Darlene Crout, Betty Suryan, Virginia Detwiler, Barbara Sumei, Maxine Lindell, Camilla Sutherland, and Evelyn Hoksbergen.

“Snafu,” a rollicking comedy of modern American life, was presented at the Empire Theatre on December 17, 1946.

It was the story of a returned veteran and his folks, who thought he was quite a problem. However, Ronald wasn't as much a problem as his parents thought he was, and was simply undergoing the change from adolescence to manhood, and the amusing perplexing escapades were merely those any parents had to face in a natural life time.
Climaxing a successful school year was the most colorful and highly anticipated event of the year, the Senior Ball. Amidst gay Mexican decorations, many happy couples danced to the strains of Jack Goff's music.

Six lucky seniors had the honor of reign for one night. They were: Joanne Hawkings, Queen; Duane Berentson, King; Berdina Brostrom, Marilyn Morrison and Betty Suryan, Princesses; Gene Lundgaard, Don Sullivan and John Jurkovich, Princes.
The Junior Mixer was held after the Memorial Field dedication. A new idea in the way of Mixers was introduced when the traditional carnival type program was replaced by a regular Dance. Jack Goff played for the occasion while a full house enjoyed themselves to the utmost. We believe that classes of the future will stick to this type of Mixer rather than going to the trouble of setting up booths and the like as has been done in the past. We thank you, Juniors, for your very original idea.
The high school band, under the direction of Mr. Floyd Lunsford, had a very successful year. This was due in part to good instrumentation, more experience and fine instruction.

The band enjoyed a busy year, playing for almost all local football and basketball games, (as well as several out of town jaunts), assemblies, plays, graduation exercises, and the spring concert.

One of the most outstanding activities was a minstrel show, put on in collaboration with the Elks Club for the purpose of raising funds for new uniforms.

The band also gave sweaters to all graduating seniors having been in band four years. This is hoped to become a precedent.

Officers are Tom Lian, president; Mike Milat, vice president; Carolyn Lunsford, secretary; Gae Anderson, librarian; and Don Manney, advertising manager.

Led by Arthur Mesford, president, and Mr. Kirvin Smith, adviser, the Key Club proved to be one of the most active clubs in the school. The noon dance, which was run very efficiently, was the main project of the club. They also sold pencils. This was done as a service and not a money-making scheme. The Key Club has always been careful in selecting their members and the action of their members is a good example of this scrutiny. A very successful year was concluded with an all day cruise among the islands.

First row: Dragovich, Whitney, Bowen, McLachlan, Wiseeman, Josund.

The Hi-Y Club was probably one of the most active service clubs in school this year. With a crew of hustling officers and committee workers the Hi-Y worked hard, gave and spent liberally.

Officers were Gene Anderson, president; John Winter, vice president; Floyd Wiseman, secretary-treasurer; and Mr. Lee Stephenson, adviser.

Activities of the club included selling programs, sponsoring dances, and movies, putting on assemblies, giving to the lighted field fund, several ski trips, Mother and Son banquet, and sponsoring one edition of the school paper.

The club also made a substantial contribution to the World Service Organization for the needy.
La Cruz Roja

The Junior Red Cross, under the supervision of Miss Marcelle Bollum, staged a campaign drive for membership at the beginning of the year, with the students contributing as much money as desired. Tiny dresses for children were made. And boxes were packed for disabled veterans. This completed the program, which was slow in getting under way.

The purpose of the Junior Red Cross is to unite students to work together for a worthy cause. The students plan the projects of their individual organizations. These functions include, clean-up campaigns, fund campaigns, collecting magazines and books, packing boxes, sewing, knitting, first aid, safety programs, and providing assistance for the health nurse and doctor during health examinations.

The Girls’ Club cabinet is composed of club officers, committee chairmen, and class representatives. The cabinet plans projects before meetings are held.

Consejo del organización de las muchachis
The Girls club, including all the girls of our school enjoyed a very successful year. Meetings were held quite frequently during which time Miss Farnham, their adviser, presided.

The highlight of the year came when an all-school mixer was put on during the last weeks of school. The mixer was held in the gym and was very successful.

One of the newer organizations in school, the Quill & Scroll encourages interest in the field of journalism. Its members are a group of students with high scholastic records and a strong interest in journalism — — Although few in number they have made possible the school paper and done a great deal of work on the annual. Initiation of new members was held late in the year.
