ALMA MATER

Long ago our Seahawks fought for
fame for Purple and White
While our faithful Alma Mater
backed with all our might
Lift the chorus, beat it onward.
    loud our praises cry.
Hail to thee our Alma Mater

Hands to Heaven
Hands to Heaven and eyes to the sky
No reason to smile and no reason to cry.
I whisper in my prayers, but the angels are shy
I look to the night and I wonder why,
Where is my salvation, did the Lord lie?
My heart and my soul I cannot deny
But to endure this pain I promise to try.

Senior Toga Day has been a 12-year tradition at AHS. It was established in 1979, and is now in its 12th year of tradition. The toga technique was adopted from the Romans, who only allowed citizens of Rome the honor of wearing the revered cloth. In present day Anacortes, only seniors may wear the toga on the last day of Homecoming.

This year, being A.S.B. President has left me with a lot of great memories. Despite our problems with the change of administration, I feel that we found a way to make this year a fun and successful one. It couldn't have happened without the help of my fellow officers, my wonderful Leadership class, and the rest of the students at AHS. I'd like to thank all of you for making this year a great one.

A.S.B. President Amy Johnson
Being A.S.B. Vice-President has been a great experience. I had a lot of fun being the Speaker of the House. I also really enjoyed Leadership class. I’d like to thank the other A.S.B. officers for all their hard work and for making my senior year a great one.

A.S.B. Vice-President, Jeff Schafer

Being an A.S.B. officer is a lot of fun. It gets you involved with school activities and major decisions about the school. It’s a great thing to do your senior year because you become closer to your fellow classmates and more memories are created. I hope that we represented the school well. Thanks.

A.S.B. Business Manager, Melissa Vaux

This year’s A.S.B. officers have devoted much time toward school excellence. We have been successful with our new ideas, and have hopefully made the school a better place to be. We would like to thank Mr. Welk and the Leadership class for all their time and effort. It has been an experience that has made us better people. We will remember it for the rest of our lives.

A.S.B. Secretary, Skye Dunn
This year, being Annual co-editors-in-chief, has been a fun and interesting experience, not to mention... BUSY!!

There's a lot more work involved than anyone would expect. Cover to cover, we and our annual staff did it all! From theme to cover design to folio to layouts to type, every little detail mattered. It always felt good to get the pages in the mall on time. Though it was hard work, we found it exciting to be the ones to make the final decisions.

We had a great staff this year. They were always willing to try something new and different. They gave their all to get their assignments finished and done well—and most importantly...on time! We were very pleased with their efforts and their hard work was much appreciated. Thanks guys! We would also like to give a very special thanks to Mrs. Welk and Mrs. Urstad for all their help. We would've been lost without them. We would like to wish good luck to the future editors of the Rhododendron, and most of all to... THE CLASS OF '93!!!

Truly P.U.B.A.R.'d for life,
Your editors, Melinda Klier and Missy Sayer

Excitement is in the air—could it be? Yes! The annual is finally here. It has been a very successful year for the 1992-93 yearbook staff.

To work on a yearbook staff is as much of a learning experience as a required class. Editors need to display creativity, availability, and responsibility. They must be leaders, well organized, and teachers to new staff members.

The yearbook gives students the opportunity to develop their writing or sharpen their photography skills. It provides students with the challenge of being leaders, making precise decisions in a limited time and taking on more responsibilities.

It has been my pleasure to work with co-editors Melinda Klier and Missy Sayer, and the rest of the staff. Their hard work and long hours have paid off with a book for you to enjoy now and in years to come. Thank you for a good year and my last as Annual Advisor. It has been great! (editor's note: Mrs. Welk is retiring)

Honor Society has been bursting with goodwill, due to about 100 members and community service projects galore. Sophomores, juniors, and seniors with a 3.0 GPA or higher are eligible to develop their leadership and character by earning service credits. This year Honor Society sponsored a Christmas food basket for a needy family of eight, volunteered for a Big Buddy program with 6th graders at Island View, and donated to the Red Cross clothing drive. Members are responsible for ushering at various school events and providing refreshments for Awards Night. But all work and no play makes an Honor Society member dull, so they relaxed at a performance of the Nutcracker Ballet in December.

At graduation, the Anacortes Sea Ratties Club presents a torch pin to each member with a 3.4 GPA or above, and the Honor Society gives honor cords to those with a 3.6 GPA or above. Two $100 College Book Scholarships are presented to two members, and two seniors are chosen each year by the Faculty Council to apply for the National Honor Society Scholarship. This year it was Amy Johnson and Melissa Vauz.

Hard work and intelligence equate fun times, good cheer, and goodwill in Honor Society.

Kevin and Nate eagerly anticipate the Nutcracker while Brianna hides behind her program.

The officers feel that this club is an important influence on their future and it will help them to succeed in life. They thank Mrs. Morris, the advisor, and all the adults that gave up their time to help this club succeed.

School activities would be obsolete if it wasn’t for the House of Representatives. The House makes many decisions about dances, activity weeks (Spring Fest, Homecoming Week), purchase orders, the school constitution, etc. The House represents the Student Body and they decide what they feel is best for the majority. This year’s activities have been great, thanks to the House of Reps.

Jeff Schafer, ASB Vice President

The Anacortes High School hosts the world's oldest continually chartered Key Club. Now over 60 years old, our club is still going strong with nearly 50 members. Although we don't have the recognition we would like, we continue our traditional service projects, along with new ones, as people request our services. For the member, Key Club promises not only a chance to feel good about helping other people, but the opportunity to get out and have some fun with positive and profitable results. Thanks to our Kiwanis advisors and Mr. Backman for their help in running the club, and thanks to the Anacortes community for their continual support.

Mike Orr, President

Natural Helpers is a group of about 90 students selected by the student body. They are people who are easy to talk to, patient, and trustworthy. The group goes to a camp at the start of the school year. They learn listening skills and how to help kids with their problems. They meet once a month with advisor Mrs. Foeberle.

We got off to a rough start this year. But since no one on the staff had any newspaper experience, who could blame us? The paper was different than in the past, partially because of the different nature of the people running it. The battle over changing the name has made things all the stranger. Now that we have had a year of trial and error, we can look forward to next year being even better.

Editor-in-Chief Josh Root
Knowledge Bowl is a club that is sometimes overlooked. It consists of many intelligent people who are "pilgrims seeking the esoteric trivia-truths of life," says member Shelly Testerman.

There are 3 teams consisting of 4 people and 2 alternates. They represent AHS at 3 meets where there are 75-80 teams from 5 different counties. Twenty-four teams with the top combined scores then go on to the district play-offs. After that the top 6 teams go to State.

In order to compete they have to have a Reader/Judge, who has always been the Vice Principal. This year, however, Mr. Backman is their Reader/Judge. "He is doing a great job!" says Mrs. Moore, the Coach.
This year, French Travel Club was very exciting. After a few years of raising money we finally got to go to France. Although we haven't been yet, we're sure it should be quite a thrill! There are about 30 of us going. We have been raising money for 2-4 years. Our fundraisers include: working at our booth in the Arts and Crafts Fair, putting on several dances, selling candles and cookies, and many other events. We'd like to thank everyone for all of their support! It was very much appreciated. We will be thinking of you over Spring Break!

We in Drama Club have experienced quite a lot this year. Our long time advisor, Mr. Russell, retired recently because of health problems. We have struggled a little without him, but have seemed to pull through. A lot of credit must go to Angela French, who attempted to put on a Winter play by directing and casting it. She has shown much dedication and is a key component in our club. We are busy collecting activities to display the talent in our club, which we must say is quite abundant. Our club is maturing and we’re on the comeback, so watch out!

Having been in Concert Band for four years at the High School level, we seniors have experienced many funny things. This year, while marching in the Christmas Parade, Gilbert Ballow ripped his uniform under the arm as he raised his trumpet. Our sophomore year, Jeff Hammaker forgot his music when we went to Western for a band contest. His “improvised” solo definitely got the judges’ attention. And finally, the funniest memory of all was our freshman year. When we were practicing marching down the street we were interrupted by a small child running naked down the sidewalk. Mr. Love left us to find the child’s home. We played “Tequila” all the way back to the high school. When Mr. Love finally returned, he told us that little Jeffery had found his home.

I have been in Concert Band for four years now. With all of the things the band does together — the Victoria trip, parades, and contests, it’s more than just a class; it’s been a chance to get to know people better. By the end of the year we’ve spent so much time together that we’re a very close group.

Have you ever wondered why there are some high schoolers playing in the Middle School Band? Well they are the Anacortes High School J.V. Band. J.V. Band is made up of a small group of 7 students who gather daily, under the direction of Mr. Love, to study the basics of music. This year's J.V. Band consists of 5 flutes and 2 clarinets. At various times during the year Mr. Love tests our abilities by giving us a challenging piece of music.

Pep Band consists of members from the AHS Concert Band. Although the Pep Band does not participate in competitions, they perform at a lot of competitions, that is. The Pep Band performs at the football games, pep assemblies, and various basketball games. They play a big part in getting the crowd motiivated at the games. You could actually say the Pep Band also takes the part of the Pep Club. They are a very spirited bunch and they work hard to keep the crowds entertained at the games.
Being in Stage Band has given me the ability to play a wide range of music. Playing the Bass places a lot of responsibility on whoever is playing. But not only is it fun, it's a great learning experience.

The Varsity Volleyball Team had one of its most successful seasons in the history of the program. The regular season ended with an 8-8 record, including two exciting "come from behind" wins against Stanwood and Mt. Vernon. Unfortunately, the season ended abruptly due to a loss in a league playoff match. The team was highly competitive in a very strong MWL as four of the five teams they lost to this year advanced to the state tournament.

I really enjoyed coaching a team that consisted of so many quality people. The players earned a lot of respect around the league by increasing their skill level and becoming real competitors as the season progressed. I'm especially proud of the seven seniors, all of whom definitely gave an all-out effort every time they stepped on the court.

This season we set our goals higher than usual. Although we didn’t go as far as we hoped, we achieved a higher level than most other teams in the past. Everyone on the team was hard-working and dedicated. We all had the desire to win, and as individuals we played as a team, not just for ourselves. None of this would have been possible without the help of our coaches. Thanks for everything Mr. and Mrs. Holtgeerts and Jen! The 1992 Tennis season was a successful one. With a 14-2 record, the team took second place. For the past 3 years the team has had a record of 42-6. Five varsity players graduated the previous season, which left the team with a shaky starting lineup. Coming off a first place season, we were not expected to do well. This year's team worked hard in the offseason and also in the practices. Despite adversity, we pulled through with a second place team, as well as sending 3 players to districts. In the past 4 years, it has been fun being part of a winning legacy. A special thanks to our coach, Bill Love, who has built a dynasty of winning tennis teams. Also good luck to next year's team.

Coach's Corner

What I will remember most about this team is the desire and determination to have fun that they displayed throughout the season. No other team showed as much heart and willingness to improve as this one. It was obvious in the beginning that we had a lot of "catching up" to do with the other schools. However, by the end of the season we had closed the gap and were competitive with each team we played. I will always have a great deal of respect for the members of this team.

Captain's Corner

You could say that this soccer season was a blast! From my viewpoint, it seemed that the attitudes were much better this year. We worked together and found that we could actually be competitive. We had a lot of skilled players this year, and a lot of players improved greatly. Great job, Hawks! We know we will always remember the rain in Bellingham, sliding after the game, and dumping the water buckets on Heather and Coach Knight! Thanks for the good times, team. To next year, good-luck and may success come your way!

-Captain Karyn Erlandson
This year’s basketball team was an exceptional group of young people. The seniors provided the leadership and work ethic. The players wouldn’t let adversity impede the goal of winning. The desire to succeed as a “team” became more important than individual success, thus creating a team spirit that created success for all.

I’ve really enjoyed this year. A lot of hard work and hours have been a part of our year’s talented cheer team. This is an especially hard season for me to end because it ends with three seniors that begin with me as sophomores. Although I will miss the seniors who are graduating, I wish them the best of luck in the future. Melinda, Michelle, and Kidata will always be very special to me. Good luck.

Senior Buds!

This season as co-captains we had a lot of fun and memorable experiences. We’ve accomplished a lot as a squad and as individuals. As the season came to an end it was great to see the crowd get more involved and support us as well as the teams! Best wishes to next year’s squads.

We had a really tough season this year. We had a lot of potential, but we never really came together as a united team and played like we could have. It was really disappointing for us not to qualify for districts, especially for me as a senior. But I know that the team will go all the way next year and I'll miss all of you guys next year! Good luck!

This year was a lot of fun. All the guys were great to be around, although we did endure a tough year. The team was mostly composed of underclassmen, so we did have to take our lumps out on the mat. But all in all we had a bunch of hardworking guys with a “never say die” attitude. State was a great experience. David LeBlanc and I had a lot of fun down in Tacoma at the Dome. I hope to return there next year.

This year's team, however small, was very dedicated and did a super job. It takes a lot of commitment and Saturdays to be a wrestling cheerleader and all of these girls did a great job. We had some really good laughing sessions, especially when it comes to exlax. Best of luck to you all in the future.

I've been on the Golf Team for all four years of my high school life and have had a great time playing. It is the type of sport in which you are on your own, and any mistake is made because you've messed up. You can not blame anyone else for missing a putt or topping the ball off the tee. I also enjoy golf because I get to meet many other people and play on many different golf courses. This truly tests your golfing ability. I'll never forget my four years of golf here at AHS. My only regret is that I didn't start earlier.

This year's Men's Varsity Soccer Team came into the season with indifferent expectations, due to the fear that the team had a new coach and few returning lettermen. However, this year's team overcame many obstacles to make the season a very rewarding one. The boys worked very hard on skills to make their games well rounded. I really enjoyed coaching and getting to know these young men. I especially thank the seniors, Chris, Kyle, Matt, and John, for their leadership and good example on and off the field. I know the change in coaches was not an easy one, but thanks for the patience. I'm looking forward to next season. Keep practicing!!!

Coaches McKeown and Kloke

It's been quite a transition from graduating our defense line to filling it in with young players. Also, getting a new coach with a new philosophy that was different from past years was difficult to adjust to. Through the ups and downs we were finally able to work together as one unit, and we had a fun year. We are wishing next year's team the best of luck.

Missy,
You have filled our lives with joy and happiness. We are very proud of you. May you reach your goals and have your dreams come true.
Love Always,
Mom and Dad

Jill,
You've always made me proud father since the day you were born. Your zest for life and thrust for knowledge will steer you in the direction of success. Congratulations with my best wishes and love forever.
Dad

Jason,
You have made being a parent an easy job. You're already a success because you're a great caring person. We know whatever you decide to do you'll do well. We wish you the very best life has to offer.
Love,
Mom and Dad
Matt.
Congratulations! We are very proud of you and your achievements. We wish you the same success in college and in whatever else you choose to do in the future. Always retain your sense of fairness and good humor.
Love,
Mom, Dad, and Polly

Johan.
You have been a joy and challenge for all of us; we can only hope we have provided you with a glimpse of American life beyond "turkey at Thanksgiving." We are so proud of your accomplishments!
Love,
Bill, Ann, Shelly, Jill, Nora

Margie.
We're so proud of you, you've come a long way since 2nd grade and your "Homework" book. Put your faith in God, but keep up the hard work. We know you'll go far, but you are still our Little Bunny.
We love you!
Dad, Mom, Brandy and Mickey

Megan.
Everyday with you is a joy and always promises something new. We know your concern for others will cause you to make special contributions to this world. Always remember to love the Lord with all your heart, soul, mind and strength.
Love,
Mom and Dad

Damon. The day you were born and every morning since that day. I have lifted you up to God for guidance and protection (Ps. 121:7,8). I'm proud you grew up to be you. I pray as you grow we'll never grow apart. Your Dad and I love you and I love all our talks. You're the best, God bless, Mom and Dad

Julie.
We are proud of you. You have overcome a lot in your short life. May your smile and faith continue to be the light of your life. Thank you for the joy and love you have given us.
Love,
Mom, Dad, and Kevin

Dear Tara,
We are so proud of you. You have been our sunshine since the first moment we saw you. Keep on learning and growing and loving. "Happy Trails to You."
Love,
Mom and Dad

Ann Marie. Congratulations to one who knows how to have a good time getting to her destination rather than getting to her destination in good time. We are proud of the wise choices you have made for your life. You are heading in the right direction.
Love,
Mom and Dad

You've always been the one who made us laugh the most. You've been an absolute delight. Best wishes for a great post-high school life. We are very proud of you.
Love, Mom and Dad

**Wendy,**
You have been the light of our lives for 18 years. It seems that there was never a time without you and now that you've "made it" you think you're going to leave us? Fat Chance! Just kidding.
Good luck, Rodent.
Love, Mom and Dad

**Misty,**
My beautiful daughter. I am so proud to see that you have grown to be just as beautiful inside as outside. Good luck in life.
I love you,
Mom and family

**Matt,**
We feel good about who you are, what you are, and where you're going. We appreciate your uniqueness!
We love you.
Your family

**Tim,**
Your energy, enthusiasm, and great sense of humor make you unique. We're glad you're ours! So "sail" into the world, navigate well, avoid rough waters and trust that you'll always have a safe harbor to come home to.
Love, Mom, Dad, Angela and Tyler
Martin,
God has given you a great gift and we know you will make a great contribution to the world. We are so very proud of you. Good luck!
We love you.

Melinda,
You have taught me more than I could ever have taught you. May you continue to grow wiser and always keep reaching for the stars. Life is limitless! I will always be proud of you as long as you are happy.
Love always.
Mom

Colleen,
After three boys you are such a pleasant surprise to us! You’ve brought such joy and laughter into our family. We’re very proud of the young adult you’ve become and we know you’ll continue to succeed in everything you choose to do! All our love for a happy and successful future.
Dad and Mom
Eryn,
Thanks for always attempting to do your best. Except for the six days of agony at Disneyland we have always been proud of your accomplishments and effort you’ve put forth in becoming a fine young woman.
Love, Mom and Dad

Kimberly,
You have been a gift of God’s grace and a constant joy in our lives. Continue to seek the Lord and know that all that happens to you is working for your good because you love God. We Love You!
Dad, Mom, and Stacie

Casey,
You were a special little boy with a great smile. You are now a special young man. We are very proud of you and know you will continue to succeed.
Love from all of us,
Mom, Dad, and Amy

Rebekah,
From the day of your birth, you’ve shown an intense interest in life and people. Let nothing inhibit the compassion you have in your future endeavors. You’ve made me proud to be known as Becky’s Mom.

Heather: Even though we have very different views on life… your striving to do your best at whatever you set your mind to is a quality I most admire. Keep up your zest for life as it glows beautifully on you.

Teacher of the year, Mr. Ken We
NEVER SAY.....GOODBYE

It's a time of farewell,
a time to move on
The years we have shared
have so quickly gone
We lived and we laughed,
we shed many tears
The friendships we've shared
have grown through the years
To say Goodbye is a hard thing to do
after all that we have been through
The many crushes and loves we felt true,
the fast beating hearts, and the broken ones
too
The late nights we studied,
the big tests we took
The parties we held, and the
houses we shook
The games we all played,
the teams we cheered on
I just can't believe those
days will be gone
The time has come for us to part-
the memories will always be held
in our hearts
Our friendship is one that cannot be compared
While we are apart,
the love still will be there
Our day has come to walk down the aisle
we'll bring on the tears-
but still we will smile
Our hats we'll remove-
we'll let them fly high
but to each other, we will never say...
Goodbye.
