Soccer

The girls who turned out for soccer were divided into two teams. Those having shorts on, in one team, and those with slacks, in the other team. There were three games played, with the shorts winning two games and the slacks winning one.

Volley Ball

Getting to go to Sedro-Woolley was the honor that each team tried to get in the jolly ball tournament. The juniors won the honor, with the seniors a close second.

At Sedro-Woolley, Anacortes got the prize for winning the most games. Besides the members of the junior team, the captains of each of the other teams and the secretary of G. A. C. also went.
Girls' Baseball

At each turnout the girls divided into two teams. There were many lively games, and the girls got so they were pretty good at the sport.

Tumbling

With such difficult things to do as the double somersault and the pyramid, seventeen girls got points for turning out for tumbling.
Badminton

To get their name on the badminton plaque was the honor that they worked for in badminton. At the end of the badminton season there was a play day here, with different schools in the county taking part.

Girls' Tennis

On the same day as the badminton play day, a tennis play day was also held. Schools taking part were Mount Vernon, Burlington, LaConner and Sedro-Woolley.
Girls' Basketball

FIRST PLACE

COMPETITION was great in the girls' basketball tournament. This time the winner was to go to Burlington.

The teams were about evenly matched, and, when the tournament was half over, there was quite a mix-up. As the mix-up was untangled it was found that the juniors were first, sophomores second, and the seniors and freshmen tied for third place.

DECEMBER 3, 1937

Log of the Sea Hawk

Feb. 25 — Anacortes Sea Hawks earned Skagit’s hoop title by defeating Burlington’s Tigers 41 to 29 on our floor. Fighting Hawks led the way from the start and never once were threatened. Some 1200 to 1500 cheering fans packed the gym “to the rafters.”

Mar. 2 — Sea Hawks extended their victories tonight by defeating the Lynden Lions 34 to 24 in their first District Tournament game at Mount Vernon. Hot Lions made the Hawks step the first two quarters.

Mar. 3 — “Third time’s a charm” didn’t hold true for the Burlington Tigers. Putting all they had into the game, steamng Sea Hawks won their second Tournament game by the large margin of 49 to 26.

Mar. 5 — Everett Seagulls, Cross-State League champs, bowed to a better team tonight in the packed Mount Vernon gym. Five "boys of brawn" kept 13 Seagulls busy following their hot pace. The Sea Gulls’ one-star team Ludwick, alone kept them from looking like a bunch of farmers—he scored half of their 40 points. Sea Hawks led the way the entire game except for one moment in the third quarter; with the end of the Hawks’ 47 points, they were presented with the District prize. Blaine finished third in the tri-county meet.

Log of the Sea Hawk

Mar. 8 — Rare stuffed specimens from distant lands were exhibits today by the Pacific Motor Museum traveling on wheels.

Mar. 11 — Decorations, floor, orchestra, waltzes and spoonin’ were all excellent at the Key Club Dance this evening. The only trouble was that few attended, so it cost the club a few dollars pocket money.

Mar. 16 — Inspired Sea Hawks forged out from behind in the third quarter of their first State Tournament game today, and never again did the Blue Devils take the lead, although they tied now and then. The end found a dark horse, Anacortes, defeating a highly favored Walla Walla quintet 55 to 52.

Mar. 17 — In their second Tournament game, tired Hawks gave way to the coming champs and their tight defense. Last-minute tries just wouldn’t go in, so the buzzers found the Vancouver Trappers one basket ahead, 29 to 27. Weary Walla Walla also lost by one basket today in an overtime spot with Ellensburg.

Log of the Sea Hawk

Mar. 18 — In this morning's come-back game with Snoqualmie, our Sea Hawks clinched seventh place by completely defeating them 36 to 19.

Mar. 19 — Revenging Sea Hawks made sports writers and fans sit up and take notice as they crushed the powerful Stadium five, 39 to 22, for fourth place, while Stadium had to be contented with seventh position. Ellensburg got fifth in a 28 to 24 win over West Valley, who took eighth. In the evening's finals Hoquiam took third in a 23 to 17 win over Lewis and Clark, who got sixth. "Hot" trappers made hoo-dooed Everett look like a bunch of monkeys, Ludwick included, when their six-foot giants thoroughly soused the Seagulls, 42 to 24 for first and second honors.

Mar. 24 — Laughter galore came from all who saw "The Blue Bag," farce comedy presented by the Debate Club this evening. It was well attended, and a profit of $60 will go to paying the club's expenses for past debates.

April 6 — Songsters of the A. H. S. staged their annual Operetta this evening. Under the direction of Mr. Brewer, it was a great success, and scores of interested people filled the gym quite nicely.

KEY CLUB DANCE

Log of the Sea Hawk

April 29 — The class of 1938 again showed their outstanding qualities when they gave their Senior Ball. It was the best one given for 10 years—to come. (Ha! ha! underclassmen!)

May 7 — The Sophomores celebrated their happy ending of a year's work three weeks in advance today, as they all journeyed for an outing in the woods—a picnic!

May 10 — A delightful Mother's Day Tea was today's highlight. Given by the girl students in honor of their mothers, it was a gay affair, what with the summer weather, gay frocks, and all.

May 14 — Juniors and Seniors had their annual outing today, and we must say that they sure celebrated. The seniors, their last picnic together; the juniors, their last outing as underclassmen—next year they will be able to have seniors' privileges, because soon we will forfeit our title.

May 22 — Graduating seniors got in a little stage practice this evening of Baccalaureate Day.

May 26 — Hundreds of parents, relations and friends witnessed the graduation of seventy-some mighty seniors this evening. Headed by Marjorie Marinakos, valedictorian, and Robert Haugland, salutatorian, senior speakers entertained the audience until, finally, we were presented with our graduation certificates—our diplomas.

May 27 — Today we docked the old frigate, the Sea Hawk, after an interesting educational voyage exploring the seven seas. Tomorrow we seniors will be cast to our fate. A few will board another ship in the fall, but most of us have experienced our big and last sailing cruise today. Farewell, my hearties!

Dear Miss March:

I'd like to have had you for a teacher, but perhaps you wouldn't have enjoyed it so much. I hope you have a lot of nice pupils.

Dear Miss March,

I hope this finds you well. I wanted to reach out and express my gratitude for the wonderful experiences I had while attending [school name].

I am especially grateful for your guidance and support. I remember vividly the time we spent together, learning and growing both personally and academically. Your dedication and passion for teaching have left a lasting impression on me.

I am glad to have had you as a teacher. Your influence has certainly been positive in my life.

Sincerely,

[Signature]

Dear Miss March,

I'll never forget the time spent with you and making that I did. Thank you for everything you did for me.

With love,

[Signature]
Dear Miss March,

I'm afraid I haven't been a very good student in your classes. I was rotten in both bookkeeping and typing and talked too much in study 5th period, but it was fun any way. Next year I won't be in any of your classes but maybe I'll take a study period under you.

Have a good time on your trip, I know you will.

If I come to see you this summer guess I won't call you Miss March if you don't mind. Hope you like to swim and we'll go swimming & gather. I also hope those sweet cherries are ripe when and if I come.

Always,

Betty Batchelbe
Dear Miss March,

I guess this is the end of school days for awhile but, I hope you may see me again next year. I know we'll see Piece and Bookkeeping again. Sincerely,

Ruth
Dear Miss March,

You haven't seen the last of me, yet.

Helene Beckley
Dear Miss March,

I've enjoyed your teaching in typing even if I wasn't so good.

Always,

Manie

Dear Miss March,

I'm really enjoyed having you as a teacher, you were just plain "swell" to me.

I'll always remember you as a good teacher.

A pupil

Dear Miss March,

I thought you were loving and kind, for your help.

I was not feeling well.

I can't really count that.

Dear Miss March,

It's been a great year. We've had a lot of fun and a good deal of fun for our friends. I'm not sure if I should admit it, but I think I've kind of liked being dumb. But I admit I'm kind of glad that you're still my teacher and I hope you'll forget that and remember me as your friend.

TO MISS ALENE MORRISON

The Class of 1938 dedicates this issue of the Rhododendron, in deep appreciation, not only for her work in classes, but as leader of girls' club, as nurse, and her inspiration to the girls. It is with regret that we see her leave A. H. S., but we extend to her best wishes for happiness in her new home.

Log of the Sea Hawk

Sept. 11 — Football got under way today. Playing at Concrete, our squad looked good the first half, but gave way under the Mixers' last-half attack, losing: 13 to 14.

Sept. 18 — Arlington met Anacortes on our home field; both teams were held scoreless. At one thrilling moment our Hawks lost a touchdown on the five-yard line.

Sept. 25 — The last practice game was won by a Graham pass interception, followed by a 60-yard dash in the final moments. Score: Sea Hawks 12, Snohomish 6.

Oct. 9 — Our first county game found two stars laid up with injuries, but subs filled the vacant positions, and our team was able to find a 13-to-0 victory over the Bulldogs.

Oct. 12 — Honoring the 445th anniversary of the founding of our continent, an interesting Columbus Day assembly was given.

Oct. 15 — Playing under the Red Raiders' lights proved the Hawks fairly good, for they defeated them 3 to 0.

Oct. 23 — Playing at Burlington, our squad, which was already in a slump, found an inspired eleven too much; losing 6 to 13.

Oct. 30 — Sedro-Woolley's Cubs found our passing defense weak and, accordingly, made the most of it, winning 19 to 6.

Nov. 5 — Amid a very cleverly decorated atmosphere, handsome junior couples danced and enjoyed the success of their Prom. It was held in the gym with Miss Carter and Mr. Waldron serving as advisors.

Nov. 11 — Mr. Hammond and his French classes put on a play and sang songs bringing to us the foreign atmosphere of the Armistice signing. Father Tremet was the chief speaker. Foreign Legion flags were flying, and several Legion members were present.

Nov. 11 — Injuries and a wet, soggy field held our Hawks back, while revenging Bulldogs swam through muck with a 25-to-0 victory.

Nov. 15-18 — "Replicas of the Masters" were exhibited during these four days, in the senior high school, by the Practical Arts Drawing Company.

Nov. 19 — Snapping out of a slump and upsetting the proverbial dope bucket, the Sea Hawks held the county champs to a scoreless tie on the Cubs' muddy field in a driving rain.

Nov. 24 — An interesting, heart-felt talk, honoring Thanksgiving Day, was given by Reverend Donald N. Rickerson.

Nov. 25 — Our last game of the season, and our team revenged themselves over an earlier defeat at the hands of the Burlington Tigers. Score: Sea Hawks 14, Tigers 6.

Dec. 3 — "Growing Pains," the senior class play, vividly portrayed a growing child (Bob Terrell) and his many childish troubles. Miss Disher, with the aid of Miss Burpee, advised and directed the play. It was a very great success, increasing our treasury surplus by ninety-some dollars.

Dec. 4 — Big-A initiation day, and it was tough on new initiates! Eating raw oysters, limburger cheese, golden seal, walking miles in the dark and rainy night, were but a few of the tortures that pledges had to endure.

Dec. 10 — Under the efficient management of Mr. Karvin Smith, the Boys' Club functioned perfectly tonight, putting on a smoker, showing moving pictures and giving ice-cream bars to both dads and boys for only 10 cents per person.

Dec. 11 — Coach Rhodes formally announced his intention to resign to accept a position at LaConner, tonight at the Big-A skating party. The affair was enjoyed as much as could be expected with their beloved Coach's resignation foremost in their minds.

Dec. 14 — Basketball season arrived with Howard Boulton taking over the Sea Hawk coaching task. Bellingham Red Raiders handed our quintet their first defeat, 30 to 37, but both teams were plenty rugged.

Log of the Sea Hawk

Dec. 17 — All city schools got together for a Christmas musical. High school singers, under the leadership of Mr. Brewer, took the "cake."

Dec. 18 — Anacortes, in their second hoop contest, took an early lead over Marysville, increasing it on each possible occasion. The end found Marysville with 25 points and us with 35.

Dec. 22 — With the subs "carrying on" the second half until the closing minutes, our first squad was unable to catch up when put in. Result: Lynden Lions 18, Sea Hawks 17.

Dec. 29 — Returning our game with Marysville, Coach Boulton was able to substitute freely and still win out in the end. Score: Sea Hawks 18, Tomahawks 15.

Dec. 30 — The Hawks' true colors, which they were so bravely to defend and to carry higher in future games, breezed high o'er Edison's Sparkplugs, defeating them 37 to 22.

Jan. 5 — The Girls' Athletic Club sponsored a well-advertised skating party, which was well attended and well enjoyed. After spills were over and the receipts and expenses compared, it was found to be successful financially, as well.

Jan. 7 — Reverend Finlayson honored us with a "good citizen" talk to remind us of Good Citizenship Day.

Jan. 7 — Playing at Mount Vernon, our Sea Hawks won their first county game by swamping the Bulldogs, 38 to 21.

Jan. 14 — Hamilton players were bewildered, amazed and startled when Sea Hawks swooped down from above, raking baskets from all angles to finish 6 to 51—Hawks' favor.

Jan. 15 — In a practice game, determined Hawks pinned the Lynden Lions to 21 points, while they forged ahead with 41 for themselves.

Jan. 18 — Taking an early lead, the Sea Hawks gained momentum gradually to show up their former coach and his proteges. Score: Sea Hawks 38, LaConner Braves 24.

Jan. 21 — Woolley's Cubs found themselves being scored upon quite rapidly, and, accordingly, went on a scorin' spree, only to find the Sea Hawks the better "dead-eyes." Result: Cubs 39, Hawks 61.

Jan. 22 — Blaine's Borderites pulled through with a win in the final seconds, after being six to eight points behind the entire non-conference game. Score: 33 to 31.

Jan. 28 — Our debate team didn't look so good at Bellingham today, although a couple of losses were by but a few points.

Jan. 28 — With both first teams undefeated, the Sea Hawks played their most thrilling games of the first half of the season with the Burlington Tigers there. Hawklets lost a thriller 22 to 24. First squad won 40 to 24.

Log of the Sea Hawk

Feb. 1 — Six initiates were pledged into the Girls' Athletic Club today. An edible dinner was cooked and enjoyed! Pledges had to find hidden "stuff."

Feb. 4 — Concrete Mixers received their first home-floor beating experienced in years, when fighting Sea Hawks cemented 'em down 25 to 41.

Feb. 5 — Weird war whoops and clownish plays thrilled the spectators when New York Shamrocks played rings around our town team.

Feb. 8 — Edison's high scorers, Stacy and Dahl, were at a loss amid the Hawks' defense, and our offense proved too polished for them. Score: Sea Hawks 38, Sparkplugs 20.

Feb. 11 — At the C. P. S. Forensic Tournament at Tacoma, our debaters were one team of two that won five out of six debates. Miss Marinakos, 1938 valedictorian, was rated as about the best cross-questioner there.

Feb. 11* — Bulldogs were amazed at our defense system which held them back. In the last quarter our subs carried on, ending in the Hawks' favor, 41 to 19.

Feb. 17 — House of David hoop-masters were able to play football half the time, purposely leave the ball on the floor, go into an uncalled huddle, and such, and still win over our town team very easily.

Feb. 18 — D. A. R. members were the sponsors of an interesting Washington assembly today. Mrs. Odlin, president, presented Senior Class President, Hazel Haugland, our special representative in the D. A. R. contest, with a lovely corsage and wished her luck in the state-wide contest, the winner getting a trip to Washington, D. C. Fact questions were asked a chosen few. Bud Maris won the prize—an almanac of facts!

Feb. 18 — Returning our game with Sedro-Woolley, our quintet received their one and only county defeat of the season. The Sea Hawks were hot for the first quarter only. In the third quarter, hot Cubs took a two-point lead. Thoroughly aroused over their doings, they set a hot pace which resulted in Hawks' upset 38 to 46.
