FOREWORD

SYMBOL of Liberty, America, we greet you.
We give you what service our love for you engenders;
We give it gladly, hopefully, however small.
We walk with you, America, through the hopes and accomplishments of the passing eras.

Through the mists of hate and fear and red terror we see you, America, shaping vistas of a future free from pain, free as the ethereal heavens, free as the divine airs of justice, from tyranny emancipated.
We see you leader of a world released from ills and selfish lust, erecting models of equality, of the dignity and brotherhood of man.
Yours is the pattern, Oh land of liberty, do not fail it;
Do not fail posterity, those whose breath we lightly feel, urging us onward.
Build it beautifully, that design of happy living;
Frame yet better—there are weaknesses, we sadly know.

Warder of Democracy, America, glad dream of perfect existence, we are yours forever.
Concrete epitome of man’s vision, land of love, live spiritually wholesome in this book,
And accept our apotheosis, all our love for what you are—and more for what you may be.
TO Mr. Ferdinand Kramer the class of '41 dedicates The Rhododendron. During the four years of his tenure here at the Anacortes High School, he has made lasting friends with all students.

Effectively teaching physics, senior science, advanced algebra, and geometry, Mr. Kramer has left some knowledge even in the minds of the indifferent and apathetic, and has offered much to those who have been willing to profit from his instruction. His charming personality, philosophical humor, strong sense of justice, and friendliness have captured the hearts of all.

To the students he remains a good teacher, a "pal," and a competent advisor. His devotion to the interests of education, to the school, to his students, and to the highest ideals of teaching has been most unselfish.

Seldom does a board of education receive due recognition of its service. Public approbation of its policies, however just they may be, is often reluctant, if at all given. As in the field of actual pedagogy, justification of actions may be extremely difficult. This body is too frequently maligned; its pursuit of studied procedures, too frequently misunderstood and misinterpreted.

The Anacortes Board of Education has labored sedulously to maintain superior educational standards under the pressure of financial stress. That their efforts may not be abortive, the Annual Staff and sponsors, on behalf of the school and community, tender their appreciation.
THE ADMINISTRATORS

SUPERINTENDENT'S MESSAGE

THE intelligence of a nation is the sum of the intelligences of all its citizens. No nation in these times can hope to survive, to say nothing of progressing in the arts and sciences, in commerce, in trade, or in industry, unless it is composed of a well-educated citizenry.

The individual American must be educated, not only that he may be able to enjoy a fuller life; he must also be trained in order that, in cooperation with other educated Americans, he may do his part toward sustaining and upbuilding an intelligent, beneficent, and capable government.

Let us, as we journey through life, continue to remember that through trained intellects and bodies come our richest enjoyments, our most complete satisfactions, our greatest appreciations, our capacities for happiness, our concepts of fuller life, our visions of a better world.

PRINCIPAL'S MESSAGE

A WORLD beset by worries may seem to give scant encouragement to high school graduates. Even the frontiers of progress seem to be closed. Yet as history and the march of time both prove, and as science and social evolution so clearly indicate, never was there a time when frontiers were more open or real effort more certain of reward than now.

Whether young or old, if we are sincere and courageous, we have only to look around us today to discover countless signs that show us the way forward.

But in these days of international turmoil we must above all maintain with truth those ideals without which the world is barren indeed; and we must supplement our courage with the clear vision to face realities squarely and at the same time to retain those undying principles democracy has so lovingly embraced.

Jim Lowman
IN MEMORIAM
SO LONG as memory survives the vagaries of Time and Change, Jimmy Lowman will live in the thought of those who knew him. Nobility of nature, death, potent as he is, cannot kill. It lives as surely as our hopes of future good persist. This brilliant, lovable classmate is now, we know, an inhabitant of two worlds. Others may claim him too; but he is here, living in the annals of our book.
Requiescat.

RHODODENDRON
THE U OF W STUDENT LEADERS CONFERENCE

Taking leave of Anacortes High School early on the afternoon of October 31, the four pictured students, accompanied by Miss Reeves, journeyed to Seattle where they were to attend the Student Leaders' and Journalists' Conference held on the University of Washington's spacious campus.

From the opening banquet of Thursday evening 'til the closing lecture of Saturday afternoon, the four representatives of A.H.S. took note of all which happened about them, hoping to bring home new ideas in connection with student government.

Upon return to Anacortes, Don, Wallie, Cecil and Re-Vae heartily praised the Conference and branded it a success in every detail.

Some six hundred students, representing one hundred and twenty-five schools throughout the State, were in attendance.

THE CLASS CALENDAR

S E P T. 3—The first day of school we'll long remember;
    It fell on the third of last September.
Sept. 14—Our boys got in some RED HOT licks,
    As they subdued Schwartz's Lions, 33 to 6.
Sept. 21—At Arlington, Washington, on this hot day,
    We smashed the Eagles with but seconds to play—7-0.
Sept. 26—To raise money for a scoreboard, we put on a show;
    The Pep Club was proud, 'cause it made plenty dough.
Sept. 28—A tie with Snohomish was the best we could do;
    But the Hawks fought brilliantly all the way through. (0-0)
Oct. 9—The Girls' Club skating party was pronounced O.K.;
    But, gee, were we stiff the following day.
Oct. 11—Sedro-Woolley's Cubs left a lasting impression;
    Our Sea Hawks weren't able to hold 'em in suppression. 26-0
Oct. 19—When we were beginning to feel we were great,
    Marysville's Tomahawks gave us the gate. (13-6)
Oct. 26—It was a Tiger from Burlington, deep in a slump,
    Whom we found little trouble in giving a bump.
Oct. 31 and Nov. 1-2—Four from the school to the U were sent,
    To be taught the true meaning of school government.
Nov. 2—An eleven from Blaine our town invaded;
    But by 4:45 they were thoroughly degraded. (27-0)
Nov. 11—With pom-poms and pep we went to the game;
    But Mt. Vernon won in the next-to-last frame. (7-0)
Nov. 21-22—By Franklin D. Roosevelt, Thanksgiving was set;
    Gee, what a turkey, we're eating it yet. (Hash)
Nov. 29—"Young April" was presented by the Class of '41;
    The lines were filled with sorrow and fun.
Dec. 6—On Friday night to the Prom we go,
    To trip the light fantastic toe.
Dec. 7—A night of nights we'll long remember;
    The scoreboard was unveiled this day in December.

★ COACH WOOTEN

Coach Richard "Boots" Wooten produced another fine football team this year, his third with Anacortes. Coach Wooten came to us three years ago from Sequim and has produced superior teams for Anacortes.

This year Mr. Wooten’s teams established good records considering the obstacles he had to overcome, and last year the gridiron squad tied for the county championship.

Coach Wooten not only is head coach of football, but he is also second team basketball coach and track mentor.

Here’s wishing Coach Wooten the acme of success in future years’ seasons.

★ COACH BOULTON

Coach Howard Boulton has had this year, his eleventh with A.H.S., a very successful season. Four years ago he was promoted to head basketball coach after serving seven years as assistant basketball and football coach and as head coach of baseball.

During his regime as head basketball coach, his teams have ranked very high: fourth in state, first in county, second in county, and this year he came from a cellar position to take third in the county league.

Besides basketball, Mr. Boulton has developed county champions in baseball.

Here’s to very successful seasons next year, Coach Boulton.
Bill Charlot: Senior end. Bill could always be depended on for blocking or tackling. An outstanding end all season.
Ralph Burgett: Senior. Started season at center and finished at guard. Excellent on defense at breaking up passes.
Hilding Johnson: Senior halfback who was triple threat. Received All-Northwest rating.
Don Rowell: Junior center who shined at down field blocking. Accurate ball passer. Al Harris: Sophomore. Hard driving halfback. Injured part of season. “Al” was a triple threat.
John Bendl: Senior quarter-back. John was small but a very hard hitter. Excelled at blocking.
Don Rolph: Senior halfback. Fast and a good reliable man to have in back field.
Gordon Flannigan: Senior tackle. Voted most inspirational player. Co-captain in '40, was hardest hitting player on team. “DoDo” was a headache to other teams. Received All-Northwest rating.

Irvin Rydberg: Junior end. Fast, sticky-fingered end. “Slap” will be back next year as co-captain.

Charles Sherman: Junior tackle. Big, aggressive tackle who received All-Northwest rating. “Chuck” will be back as co-captain next year.

Jimmy Hunt: Sophomore guard. “Jim” was a very reliable man to have in the line.

Wayne Tweten: Senior guard. Wayne could be counted on when needed. Shoestring tackling was his specialty.

Chris Demopolis: Senior halfback. Very fast open field runner.

Bruce Finlayson: Senior tackle. Heaviest man on squad. Hard to move.

Bill Ross: Senior fullback. Southpaw passer who completed a good percentage. Bill was a hard charging back who came from Arlington.
★ FIRST TEAM
Backfield: Don Rolph, John Biendl, Gordon Smith, Al Harris, Hilding Johnson, Cecil Jarvis, Bill Ross.
Line: Irvin Rydberg, Ralph Burgett, Jim Hunt, Chuck Sherman, Don Rowell, Gordon Flannigan, Bill Charlot.

★ SECOND TEAM
Backfield: Dunkin Schultz, Buehl Berentson, Wayne Tweten, Chris Demopolis, Bart Barber.
Line: Dick Latimer, Dave Murray, Jakey Olson, Paul Everett, Jim Lowman, Bruce Finlayson, Bob McComas.
SEPTEMBER 14: The Sea Hawks opened the season on their own field against the Concrete Lions. With relatively little trouble and almost at will they downed the Lions 33-6.

September 21: The second game played at the Arlington field proved to be another victory for the hard-fighting Hawks. The score read 7-0.

September 28: The Hawks failed to register against Snohomish even though they ruled the roost between the 10 yard lines. The result was a scoreless tie.

October 11: In our first night game disaster struck. The cause was the Sedro-Woolley Cubs and the result was a 26-0 defeat at the expense of the Hawks.

October 19: Again the Sea Hawks were left with the short end of a score of 13-0. A fast Marysville team proved too much for the local aggregation.

October 26: The Sea Hawks administered an easy defeat to the Burlington Tigers at their opponents' field. The scoreboard read 18-0.

November 2: The Hawks ran rough-shod over the Blaine eleven and piled up a tally of 27-0.

November 11: In the last game of the season the Sea Hawks lost a heart breaker to their bitter rivals, Mount Vernon. After controlling the play of the ball all through the game till the third quarter, disaster struck AHS. Mount Vernon pulled a touchdown play out of the bag which proved to be the winning strategy. The Sea Hawks finished the season on the short end of a 7-0 score in favor of Mount Vernon.

Irvin Rydberg: Junior. Center on defense and guard on offense. Excellent defensively and a dead-eye shot. Should prove very efficient in senior year. Next year's captain and co-captain this year.

Loren Bushey: Sophomore forward. Bushey is a quiet player and a good ball handler. Two more years of experience should prove him a valuable man.

Bart Barber: Senior guard. Bart's main field was checking. He could be depended upon when needed.

Jerry Jurkovich: Junior forward. "Jerry" was an outstanding follow-in man.
Gordon Flannigan: Senior, Guard on defense, forward on offense. “Gordy” played swell last season for AHS as co-captain. A smooth ball handler and a good shot “Gordy” will be missed next year.

Russ Padgett: Sophomore. Forward. Small, fast, and good passer. When teamwork was needed Russ was tops.

Bob Separovich: Junior, Guard on defense, center on offense. “Ba Ba” was an effective backboard man and was reliable in the pinches.

Chuck Sherman: Junior center. “Shermie” next year should prove to be an outstanding backboard man.

Jan. 31—Again Mount Vernon; again they won,
Monotony such as this "ain't no" fun. (34-28)

Feb. 7—Glorious in victory our Sea Hawks reigned;
As Hamilton's fine record they mercilessly stained. (41-37)

Feb. 13—For the benefit of Red Cross, a program was presented,
And for the price of the ticket, all were contented.

To snap the win streak of those bullies. (38-23)

A tennis tournament was underway the same time as badminton. The playdays were held the same days. The tennis team was host to Mount Vernon on April 22. Games were also played with other teams in the county. Miss Phyllis March coached the girls' teams.

★ HONOR SOCIETY

An Honor Society was organized several years ago in the Junior High, and our present Honor Society is an outgrowth of this. Re-organization and the framing of a new constitution drew approval by the National Honor Society and a charter now hangs in the High School office. Names of members together with an annual report are mailed to the central office in Chicago.

The aims of the Society are to promote scholarship, character, and leadership. Points earned in scholarship and activities are totaled to decide membership. A council composed of the principal and two members of the faculty determines eligibility. Membership is for one year and is open to sophomores, juniors, and seniors. Advisors are Miss Burpee and Mr. Hammond.

★ KEY CLUB

Our Key Club has the rather unique reputation of being one of three clubs of its kind on the Pacific Coast—the other two are at Bellingham and Sacramento. The Key Club is sponsored by the local Kiwanis Club and is not connected with the school as far as the club rules are concerned. All meetings are held during school hours, however. The purpose of the club is to perform any of the various social services that should be rendered. An initiation is held each spring at which new members are duly admitted to the club to take the places of the graduating seniors. Mr. Smith is the advisor of the group.

The Girls' Athletic Club has a very successful year behind it. The girls attended playdays in Mount Vernon, Sedro-Woolley, Burlington, Edison, and were host to a playday in Anacortes. They also attended a playday at the Western Washington College in Bellingham. The club has enlarged considerably this year with 18 new members being initiated.

⋆ BIG "A"

The Big "A" is the prominent organization of A.H.S. for those boys athletically minded who have shown sufficient ability to earn a letter in some sport. It strives to maintain high standards of sportsmanship.

Once every year the Big "A" holds an initiation for the boys who have earned their letters in some major sport. This initiation is usually held after the basketball season. While this event is going on, one expects to see anything happen at school.

THE BOARD OF CONTROL

What the Senate and House of Representatives are to the United States, so is the Board of Control to the local High School. Made up of A.S.B. officers and class representatives, the Board of Control finds it within its power to promote or veto any school function that falls within the jurisdiction of the Associated Student Body.

Presided over by Don McKee, this year’s Board functioned smoothly and established a precedent which future students should try to reach.

BOYS’ CLUB

This organization consists of all sophomore, junior, and senior boys regardless of academic achievements or popularity; there are no restrictions. In the past few years the club has been rather inactive, but an occasional smoker, motion picture, or speaker breaks the monotony for the boys who are participating or just onlooking. Ping-pong is about the only pastime which is regularly enjoyed, the ping-pong room being open the greater part of the year. Officers are elected by the boys themselves and serve for the ensuing year. This year’s officers were: Cecil Jarvis, president; Chris Demopolis, vice-president; and Paul Burke, secretary. Advisor is Mr. Kramer.

ASSEMBLY COMMITTEE

During the year numerous assemblies have been presented by the Assembly Committee. Their ceaseless efforts to have students well pleased have been appreciated.

The Pep Club

Product of an organization supported by some twenty members during the '39-'40 school year is the present Pep Club, which today has an enrollment of approximately ninety students.

Off to a terrific start at the beginning of the current term, the Club began immediate preparations so as to raise money for a new electric scoreboard—a much needed piece of equipment in the local gymnasium. Through the sale of pom-poms—hundreds being made by the group—a talent show, and a charge of fifty cents per member as dues, the organization raised $175 in record-breaking time.

The first hoop encounter of the 1941 season, December 7, 1940, saw the new automatically controlled scorer and time-keeper put in use for the number one time. Although the locals dropped the contest with Edison's Spark Plugs, Bob Separovich saved the day by running up the initial point on the board.

WITH Mr. William Chance as coach, the debate club literally “went to town” during the 1940-41 debate season. After a few practice debates, the teams traveled to the Western Washington College of Education in Bellingham for the Northwest District Debate Tournament, where Josephine Barcott and Ann Marinakos captured two of the three “superior” blue ribbons awarded and the other members received recognition by degrees of excellence.

In February, they participated in the National Forensic League Debate Tournament at Tacoma where one of the teams consisting of Ann Marinakos and Dick Barney reached the quarter-finals in debate and one of the debaters, Josephine Barcott, reached the semi-finals in extemporaneous speaking. For this display these debaters received certificates of merit, each with a rating of excellence.

At the end of the year two seniors, Bruce Finlayson and Josephine Barcott, received pins, signifying the second and third degrees respectively, from the National Forensic League in which the Debate Club is enrolled.

WALLIE FUNK .................................... YELL KING
DONALD OLDOW .................................. YELL DUKE

This peppy twosome was in charge of Pep Assemblies and trips to out-of-town games. Wallie, with the help of Don organized the Pep Club, which boosted the school enthusiasm sky-high. With one of the school's best rooting sections, you find our yell team out in front at football and basketball games cheering our team on to victory. Gene Crawford also officiated.

Wallie has been on the yell team three years; Don, two.

★ SONG LEADERS

Baer, LaVerne—Dernie and Irvin Rydberg are celebrating their 18th wedding anniversary—incidentally, the triplets are now 7 years old.

Barber, Barton—Head coach at Backwash Gulch (the last team he turned out finished 8th in a field of 8). Better luck next year, Bart.

Barcott, Josephine—Famous woman reporter—talked herself into seeing "Terrible Dan," the notorious convict. Failed to talk her way out and is now residing in Sing Sing.

Bassett, Frank—The "sprinting mite" just finished first in the 100 yard dash at the national Olympic contest. Looks as if Frank is running things this year.

Beaty, Ellen—Following her old desire, Ellen engineered herself into a school teaching job at dear old Alma Mater.

Blendi, John—A Barker in Hot Bros. Circus—we hear that he even talked himself into seeing the Hula dancers. Some feat?

Bondeson, Wanda—The Blues Singer now featured at the Wobble Inn. We always knew she'd make good. Where is the Wobble Inn, by the way?

Bresee, Alice—Teaching school in the Summit Park district. We hear she is having trouble with Cecil Jarvis Jr.

Burke, Dan—Just finished his final course in electrical engineering—Dan was electrocuted in San Quentin. Tough luck, old boy!

Cahail, Margaret—Margaret just made herself famous by inventing headlights for collapsible can-openers. This implement saves a housewife's finger-nails. Ah glamour.

Campbell, Florence—Entered the national skating contest in New York but pawned her skates after the first day of competition. She got first prize from the handsome winner anyway.

Ellingwood, Thelma—With the assistance of a can of red paint, Thelma is playing basketball with the All-American Red Heads.

Faris, Fern—Inventor of a new chicken incubator which is guaranteed not to blow fuses—which leaves the little chicks motherless.

Finlayson, Bruce—Bruce stepped right into his poppa’s shoes and is now Africa’s leading Evangelist—Incidentally the cannibals are offering a larger premium for Bruce than they did for Stanley and Livingstone.

Odegard, Geraldine—Blonde secretary—Always in demand!

Olsen, Re-Vae—Famous net star—she is always winning these “love” games.

Thomson, Jack—We find Jack captain of the Guemes Ferry. He'll make a name for himself with his "Ferry Boat Serenade."

Timmons, Patsy—Fanatics of dancing will be glad to hear that Pat is now working for Madam La Zonga.

Tweten, Wayne—Second Tommy Dorsey—and we do mean Second!

Walton, Virginia—A swell typist—Virginia hasn't made an error since she landed her job. She is an usher at the Orpheum.

Welk, Althea—Still plugging along at the Empire Theatre. Comes up for a promotion next year.

Whitcombe, Aubrey—Aubrey is now paper-weight champion of the world—Aubrey beat "Grunting George" by a stare-down in the 7th round last week.
