Dear June,

I thought I'd drop you a line to let you know how much I've been thinking of you. It seems like it's been forever since we last spoke. I hope you're doing well and enjoying your school life.

Love,
Best.

P.S. Remember to shop at J.C. Penney Co.

Dear June,

I'm glad school days have passed, but I can still recall our time together. It was nice going to school with you again these past few years. Good luck gal and keep a stiff upper lip.

Paul

P.S. Remember to shop at J.C. Penney Co.
Dear John,

I am sorry for not writing sooner. I have been feeling a little blue lately, but I promise to be better soon. I love you. 

This English test is quite difficult, but I believe I will do well. I hope you have been doing well too.

Love,

P.S. Always remember that I love you.
Dear Jamie,

Don't forget St. Simeon. We got mad at Prancer and wouldn't laugh at his corn. Talk about stubborn—God.

I'll see you maybe.

Dear James,

We had a lot of fun this year in school. The English class was good for me, and I wish you could come around this summer. I will have my way about everything.

Miss you around.

Best of luck,

Your friend,

Jane

Dear Jane,

I wish you never to say goodbye. I wish I could eat happiness with you and Maggie,

Love always,

Dear June,

I hope you're doing well. I'm not sure if you remember me, but I'm Buehl Berentson, the editor of this year's Rhododendron. I'm writing to say that the theme for this year's edition is "We Have Swell Times in School." I think it's a fitting theme as we celebrate our senior year.

I hope you have a good time and enjoy the year. I'll be looking forward to seeing you at the graduation ceremony. If you need anything, feel free to reach out.

So Long!

Buehl

Dear June,

I don't know you very well yet, but I'm trying to get to know you better. You were a good teacher, and I hope you have a great time in the future.

Hugs,

Ziggy
Dear June,

You know the only time I ever talked to you was when you wanted some gum to chew. I was lloy the future. I long needed something.

FOREWORD

The yearbook of 1942 has no other theme but to preserve in the memories of the students of AHS, the studies and activities that have broadened our minds and given us enjoyment.

We give a toast herein to the memory of that period of life to which the old and wise yearn to return because they remember its hopes and dreams and joys, some of which were realized and others of which were lost forever.

We have attempted pictorially and verbally to preserve your efforts to make the most of the opportunities offered you to prepare yourself for a fuller life in a democratic nation.

This annual has been made with an eye for the future so that when you return to it in the future, as we know you will, you may find here the closest reunion with your school days as would be possible.
The dedication of the 1942 Rhododendron has been voted to Mr. Clinton Marley by the graduating senior class.

This was Mr. Marley's fourth year in our high school. He was the industrial arts and auto mechanics instructor, having had to substitute mechanical drawing for industrial arts this year because of lack of shop and equipment.

Mr. Marley left school in the spring to go into defense work. He was missed by the boys and most of them would like to have seen him finish the year out.

Although Mr. Marley left us this year, he will not soon be forgotten by the boys that studied and worked under him.

Coaches

★ WOOTEN

Coach Wooten again produced a first place football squad this year, his fourth, with Anacortes High School.

Mr. Wooten is also assistant basketball coach and usually succeeds in putting out a high shooting second team.

The track team, coached by Coach Wooten as have been the last three teams, has been quite successful to date. The last two track teams have been the most successful since the teams of the late twenties, thanks to Coach Wooten.

Here's hoping you're here next year. Coach Wooten, coaching first rate teams.

★ BOULTON

Coach Boulton kept up his reputation as a top notch coach once more in this, his twelfth year, as a coach and teacher at Anacortes.

This was Mr. Boulton's fifth year as head coach of basketball, having been assistant coach in basketball and football and head baseball coach previous to this time.

Mr. Boulton's basketball team this year placed first in county, but was eliminated in the Northwest tournament at Bellingham after giving their opponents some stiff battles.

Barring complications due to wartime conditions, Coach Boulton and his boys should do all right next year also.
Charles "Chuck" Sherman: Senior, co-captain. All-Northwest, 3-4. All County, 4. Big and aggressive. The team will miss him next year.

Don Rowell: Senior. Hard driving halfback. Three year letterman. Don did a lot of the ball packing for the team. All-Northwest second team 4.

Harold Sherman: Sophomore. Harold was a good substitute halfback. He specialized in short passes.

Archie Loss: Senior. A good substitute end. One year letterman.

Ray Olsen: Sophomore. A small tough guard. Ray will be back for two more years.

Allan Cornett: Sophomore. Cornett was a hard tackling center — good at backing up the line.

Warren Heglin: Junior. A good dependable manager. One year letterman.

Jack Hill: Junior. Short and stocky halfback and fullback. Jack was a substitute for Al Harris at the last of the season so didn't see as much service as he might have otherwise.
Irvin Rydberg: Senior, co-captain. Mentioned as All-County end and All-Northwest second team end. Voted inspirational award by fellow players. A good man to have covering any wide end runs. Three year letterman.

Bob McComas: Senior. First string end. A good mainstay for the team.

Dunkin Shultz: Junior. "Dunk" played a good brand of ball all season for such a "shorty."

Fred Millard: Sophomore. Given honorable mention in Northwest league. A newcomer to our ranks. Big husky tackle. A good man to have to fill up any hole.

Jim Hunt: Junior. Quarterback and guard. Jim did most of the kicking for the team and pulled them out of a few bad spots. Co-captain for "42-43."

"Al" Harris: Junior. All-Northwest and All-County fullback. Harris came back from injuries in his sophomore year to become the sparkplug of the team. Harris was a good man to have all over the field. Co-captain for "42-43."

Jakey Olsen: Junior. A first rate hard blocking guard. Jakey transferred to a Seattle school and won't be back next year.

Clifton Burke: Junior. A good strong substitute halfback. Was a transfer from another school.

Football Games

September 20—
The Sea Hawks started out the 1941 football season in a form not indicating the rest of the year's performance. They dropped the first game to a snappy Arlington team by a score of 13-7.

September 26—
The second game of the season proved to be practically a walk-over with the Hawks defeating a weak Snohomish eleven on their own field. The score at the final gun was 27-0.

October 7—
After a long journey to Port Angeles, the first in years, the Hawks lost to a very strong Angeles team by a score of 19-0.

October 11—
In an exciting game on their own field, the Sea Hawks upset a strongly favored Woolley eleven. The score stood at Anacortes 6, Sedro Woolley 0.

October 18—
The Hawks dropped their third game of the season to a very strong Marysville team on the home field by a score of 7-0.

October 25—
The distant Blaine team lost to a clicking Hawk squad on the Blaine field to make the Anacortes' game score stand at 3-3. The final score of the game was Anacortes 18, Blaine 0.

November 1—
The Anacortes squad came through with a surprisingly one-sided victory over a supposedly strong Burlington team to give Anacortes the lead in the County league. The score was Anacortes 26, Burlington 6.

November 11—
The Mount Vernon Bulldogs slung mud on the Anacortes Sea Hawks in a rain-soaked battle at the Mount Vernon field to win by a score of 13-2. This loss gave the Anacortes team a tie with Sedro Woolley for the County Championship.

"Chuck" was always in there fighting. A good man under the backboard.

Bob Separovich: Senior forward.

"Ba Ba" was an effective backboard man and a smooth passer. A good offensive player.

Jerry Jurkovich: Senior forward.

Jerry was valuable as a follow-in man and defensive player.

Allan Cornett: "Corny" was promoted from the second team late in the season and is expected to be valuable next year.
Fred Millard: Sophomore forward. An outstanding backboard man and a high scorer. "Moose" should prove to be an outstanding player with two more years of experience.

Albert Harris: Junior guard. A dead-eye shot and an excellent defensive player. "Gay" should prove to be a valuable player next year.

Robert Olson: Sophomore forward. Robert was a smooth ball handler and a good shot. He ought to be a valuable player next year.

Lloyd McKee: Junior forward. Lloyd was out of play during most of the season because of illness. He came back to play in the North-West District Tournament.

Irvin Rydberg: Senior center. Good all around player both on defense and offense. "Slap," this year's captain, rated All-County and All-District honors this year.

January 13—Mt. Vernon: Led by Fred Millard, who chalked up 21 points, the Anacortes boys downed their traditional rivals.

January 16—Sedro Woolley: The Sea Hawks fifth consecutive win of the season was a pushover.

January 23—Burlington: We again met the Tigers and this time didn't have such good luck. This was our only defeat of the season.

January 30—Mt. Vernon: Another hard game but the boys came through to win over the Bulldogs again.

February 6—Hamilton: The Sea Hawks won easily over an inferior Cougar team.

February 13—LaConner: Friday the 13th held no terrors for the Purple and White and we came another closer to the county pennant.

★ TRACK

The Anacortes track team made a very good showing this year with most of the burden placed on the weight section. More than once the Anacortes strong men took all three places in one event. There were sixteen boys turning out.

Front Row: Chester Bogue, Kenneth Smith, Jim Moe, Jack Hill, Walter Barber, Valdean Sklenar, manager; Themios Demopolis, Glenn Sutt, manager.

★ BASEBALL

Back Row: Coach Boulton, Jim Otis, manager; Roger Morganthal, Don Taylor, Warren Erholm, Fred Millard, Al Harris, Don Payne, Roy Oetter, Norman Thompson, Ed Waldorf, manager.

Front Row: Burton Dunbar, manager; Bert Millard, Harold Noggles, Don Oldow, Bill Ives, Malcolm Scribner, Robert Lindell, Alfred Chiabal, and Bert Thompson.
★ JOLLYBALL: One month of jollyball combined with volley-
ball seemed to be plenty for most of the girls since it took plenty
of muscle and strong arms to be able to send the large jollyball
back across the net. No doubt this feeling was hastened because
basketball, which always proves popular with the girls, was
approaching. It takes both skill and practice to hit the ball with
your wrist and closed fist and not get a sore arm. Teams were
chosen and competition was keen.

★ BASKETBALL: Gone are the days of the long bloomers,
middies and tie for basketball that well can be remembered, but
present still is the game, and modern misses enjoy it just as
much as their mothers did. A large number of girls turned out
and each class had its team. Instead of the usual one month of
turnout the girls voted to have two months since everyone en-
joyed basketball so much. No addition of points was given but
still the sport held popular. Credit must be given to the ninth
graders, for they took honors in this sport.

★ BADMINTON seemed to be “The” sport this year with the
largest turnout of any of the sports. Badminton was voted to be
held over for an additional month because of its popularity. Also
an additional one hundred points were given. At each turnout
attended, girls contributed a nickel to help pay for the birds. A
ladder wasn’t used this year since this allows the better players
on the floor most and was voted unfair. Girls progressed from
being unable to hit the birdie over the net into excellent players.
They carried the sport over into the turnouts for mixed doubles
that were held evenings once a week through the last two months
of school.

★ TENNIS teams this year had plenty of talent but because of
lack of transportation the girls were unable to play other schools
to determine their rating. An improvement has been made on
the tennis courts this year with new nets and back stops. Tennis
is a likable sport and girls are found on the courts on G.A.C.
turnout night once a week, and before and after school of each
day, as well as during noon periods.
★ JOLLYBALL

Kneeling: Ellen Cook, Shirley Raeder, Ina Fae Schneider, Marjorie Charlot.

★ BASKETBALL

Marjorie Brand, Ellen Cook, Marjorie Charlot, Ina Fae Schneider, Rosemary Downie, Elvy Berg, Helene Berentson, Sylvia Benson, Gloria Moyer, Shirley Raeder, Virginia Benson, Martha Palmer, Marian Unsoeld, Lorna Compton.

★ TUMBLING

With three dots, a dash, and "V," the girls were all out for victory in their sports. This is the group of non-member junior high girls and the G. A. C. officers that composed part of the tumbling class. The junior high girls showed plenty of enthusiasm and are a lively group of girls.

★ SOFTBALL

Softball was played during the month of April. Two teams were chosen and rivalry was great since the teams were matched well and each team won part of the games.

ACTIVITIES
★ JOURNALISM CLASS

Seated, left to right: Barbara McKinley, Ellen Cook, Ruth Henwood, Margaret Polis, Don Oldow and Katherine Newland.

Standing, left to right: Bill Dildine, Corrine Gilkey, Lydia Chiabai, Buehl Berentson, Ann Marinakos, Beverly Nelson, Mr. Hunt and Paul Burke.

The school year of 1941-42 was an important one in the history of the journalism class of Anacortes High School. For the first time in many years a school paper separate and distinct from any other paper was published. The Sea Hawk News, a bi-monthly publication was sold to an average of 150 subscribers at three cents a copy. The editor elected by the class for the first semester was Barbara McKinley; her associate editor was Ellen Cook. At the beginning of the second semester Paul Burke was elected to be editor; Ruth Henwood was the associate editor. Beverly Nelson acted as business manager during the entire year.

It is also the duty of the journalism class, which is composed of seniors, to edit an annual. Editor of the 1941-42 annual was Buehl Berentson; the business manager was Ann Marinakos; and the staff artist was Lydia Chiabai. Other members of the class were responsible for writing features.

The journalism class wishes to thank Ruth Ginnett and Charles Sherman for their assistance in cutting the blocks designed by Lydia Chiabai, and Don Lambert for his assistance in the family album.
**BOARD OF CONTROL**

Presided over by Irvin Rydberg, student body president, the Board of Control settled many of the problems of the Anacortes High School. Mr. Lee Stephenson was the advisor.

One of the problems which was brought before the group was whether or not baseball would be continued. After much debating it was voted to have a baseball team. Bills of the school are also discussed at the meetings. The Board of Control consists of the officers of the various school activities.

Bottom Row: Walter Barber, Cameron Schulz, Lloyd McKee, Loren Bushey, Ellen Cook, Alice Strom, Gloria Moyer, Ruth Henwood, Ann Marinakos, Georgianna Newland, Violet Premo, Lydia Chiabai, Buehl Berentson.

Top Row: Don Oldow, Charles Sherman, Paul Burke, Irvin Rydberg, Marcia Kingsley, Shirley Raeder, Merna Moen.

**HONOR SOCIETY**

One of the most active and outstanding organizations this year has been the Honor Society. During the year they have had a party, sold candy and ice cream at games, and had a picnic at the end of the school year.

To be eligible for Honor Society requires 25 points for Sophomores, 50 for Juniors, and 80 for Seniors. Sophomores receive a one bar pin, Juniors two bar pins, and Seniors receive a gold torch pin but have to make 110 points by the end of the school year to be able to keep them.

Miss Burpee and Mr. Hammond are advisors of the organization.

First row, left to right: Mr. Hammond, advisor, Marcia Kingsley, Irene Wagår, Audree Walton, Alice Strom and Dorothy Branham.

Center: Marjorie Charlot, Ellen Cook, Ann Marinakos, Helene Berentson and Sylvia Benson.

Last row: Bill Murray, Ted Stroebel, Ralph McDougall, Cameron Schulz, Tom Brooks, Lloyd McKee, Irvin Rydberg.
DEBATE CLUB

The 1941-42 Debate Club, though small, gained considerable recognition during the school year.

The club debated schools from all parts of the state: Blaine, Kirkland, Mount Vernon, Sedro Woolley, Chehalis, Arlington, Lynden, Burlington, Bellvue, LaConner, Leavenworth, Stadium High of Tacoma, and Olympia.

On the 28th of February, the debaters went to the W.W.C.E. District Tournament, where Ann Marinakos won an "excellent" ribbon, and Katherine Newland received a "good" ribbon.

This year for the first time, Anacortes also participated in the University of Washington Debate Conference held March 13 and 14. There Ann Marinakos received a gold medal in extempore speaking and a ribbon in problem-solving discussion. George MacDonald was awarded a ribbon in extempore speaking.

1941-42 debaters include Ann Marinakos, George MacDonald, John Hieber, Katherine Newland, Claire Shapley, Corrine Gilkey, and the club's advisor, J. T. Hunt.

Bottom row: George MacDonald and John Hieber.

KEY CLUB

This organization, first begun in 1932, is sponsored by the local Kiwanis Club. Although the club is held during school hours, it is not connected in any way with the school as far as the club rules are concerned. The purpose of the club is to perform any social duties that it might be called upon to do. This club enjoys the unusual privilege of being one of the only three of its kind on the West Coast. The other two are in Bellingham and Sacramento. Mr. Kirvin Smith is the advisor.

Officers of the club are Walter Barber, president; Freddie Chiabai, vice president; Francis Baer, secretary-treasurer; Paul Burke, representative.

Standing: Bill Dildine, Art Haugland, Jack Wells, Morris Matson, Jim Hunt, Mr. Smith, advisor; Irvin Rydberg, Francis Baer, Bob Separovich, Loren Bushey, Pat Mondhan, Don Oldow, Lloyd McKee, Archie Loss.

Kneeling: Gordon Smith, Kenneth Kack, Paul Burke, Alfred Chiabai, Jack Hill, Walter Barber, Buehl Berentson.
BIG "A"

The Big A Club is comprised of those boys in high school who have earned their letter in some sport. The only requirement for entrance is that they have to go through a rigid initiation. When this initiation is going on, many surprising things can be seen throughout school. The officers of the club are as follows: President, Charles Sherman; vice president, Jerry Jurkovich; secretary-treasurer, Paul Burke.

Front Row: Chester Bogue, Gordon Smith, Allan Cornett, Walter Barber, Paul Burke, Valdean Sklenar, Buehl Berentson, Roy Etter, Bill Ives, Bert Thompson.

Last Row: Mr. Wooten, advisor; Dick Latimer, Pat Mondhan, Loren Bushey, Al Harris, Jean Pentz, Ray Olson, Clifton Burke.

G. A. C.

Under the splendid leadership of their advisor, Miss Wilson, and president, Gloria Moyer, the Girls’ Athletic Club has once more come to the end of a successful and enjoyable year. The first event staged by the girls was the handling of the school cafeteria for several months which turned out to be profitable as well as enjoyable.

Twenty-eight girls belong to G.A.C. Two-hundred points must be earned to be eligible for membership and an additional eight-hundred more to earn a sweater. A chevron requires six-hundred points; and a star, four-hundred. Girls must attend a required number of turnouts to earn a hundred points for each sport.

Officers of the club are Gloria Moyer, president; Marcia Kingsley, vice president; and Helene Berentson, secretary.

Front Row: Ila June Hughes, Jean Pinkerton, Marjorie Charlot, Marcia Kingsley, Glenna Anderson, Martha Mary Palmer.

Third Row: Marjorie Brand, Ina Fae Schneider, Patty Hughes, Virginia Finnson, Virginia Benson, Helene Berentson.

Last Row: Ellen Cook, Gloria Moyer, Shirley Raeder, Margaret Polis, Charlotte Matthews.

★ SENIOR PLAY

“DON’T KEEP HIM WAITING”

The three-act comedy “Don’t Keep Him Waiting” was an outstanding play put on by the members of the Senior Class on November 14, 1941.

The play was based upon the activities of the older sister Betty who had to pay all the bills and keep order in the family. The family had no value of money but when Betty married, the members learned that they had to take care of themselves.

**JUNIOR CLASS PLAYS**

"Clever Caddy" and "The Perfect Gentleman" were the one-act plays that were presented by the Junior class on March 27.

"Clever Caddy" is the story of a high school girl who is always willing to fix up the affairs of other people. When it comes to her own affairs, she has a little difficulty.

The other play, "The Perfect Gentleman," is centered around the Ames family, especially Margaret Ames, who has a crush on her chemistry teacher. The fun begins when she invites him to dinner.

The members of the club also had a hike and picnic supper during the spring.

Dear Janie,

How are you? I heard you're getting out of school a week early - but I hope you'll regret it. I hope you're still going to be quiet and around here. I feel your first year will be tough, but maybe some serious body will tell me the score. I'll start throwing words both again - it all works.

I hope you get back in the movie industry. I know you're a big fan.

Dearest Janie,

Remember, you must plan with caution. Nothing is as simple as it seems. It goes on, but it's not easy. It's a very, very difficult thing to say, so I'll leave it there.}

"Time Changes Everything" certainly holds true when one glances back at the Class of '42 as freshmen. Out of this Freshman Class of approximately one-hundred students there are only fifty-seven graduating seniors.

Three years have given the students time to develop not only mind and character; but also many of the students who were once shy and bashful have now become sly and forceful.

HENWOOD WINS SYMPATHY OF LOCAL JURY

The suit of Haugland versus Henwood went into its second day today. Mr. Haugland charged the Miss Henwood, prominent socialite of Anacortes, deliberately hit him in the head with a can half full of tomatoes as he was bending over the garbage can. Mr. Haugland, our very efficient garbage man, stated that the accident happened about a week ago and that the exact series of charges was the severe shock received by his wife, the former Miss Gloria Maye. He then gave his account of the incident in the following manner, "In the day and night he is opening his authority to the girls wear braids and go without makeup just so that they won't distract any of the boys during school hours."

The school board of which Mr. Pea is chairman stated that there was a behind principal Young and will not remove him under any conditions.

DIBBLE DABLES ACCUSED OF LATEST FAD

Anacortes saw its first home-owned auto-plane today. The ship, piloted by its purchaser, Art Dibble, was launched on the water as they completed the first cross-country trip in the Fidalgo Bay area. This beautiful piece of machinery, purchased for the sum of $5,000, is becoming the rage of the country. Mr. Dibble with his experience in both automobiles and airplanes decided to try out the latest fad, the auto-plane.

This unusual contraption has many of the comforts of an automobile and all of the advantages of an airplane. The wings fold back when the auto-plane is on the highway, and an extra pair of wheels fold down, thus the auto half of the invention is produced. The engine, of course, is in front, the same as in most other vehicles.

When Art was asked what he thought his future in the auto-plane would be, he joked, "I expect to use it in my next fall break."

Sea Hawks Smash Mt. Vernon Dogs

For 26-0 Victory

Anacortes, for the third consecutive game, whipped the Mt. Vernon Bulldogs in their annual football dual. The local boys whipped the Bulldogs soundly to the tune of 26-0 in one of the most thrilling battles in years. Brent Wooten, Sea Hawk captain, and hard-hitting fullback, sparked his team through the game by his play.

Sailor Rowell used to dream of the day that the kids from Nelson and Whitecap grade schools would look up to him as their ideal tough guy. He plans to finish his high school education now that he can afford it.

Population Leaps

Up to the moment the court procedure looks very promising when they arrested Mr. Bill Tietjen, local mechanic, for walking down Oakes Avenue with no visible clothing excepting a barrel. Mr. Tietjen broke after three shots of Chief Jurkovich’s third degree treatment and confessed having purchased a stack of chips with his prunes in a final attempt to win back his week’s pay. Police are in doubt as to

Chief Jurkovich Stages Surprise Raid On Maris’ Casino

TOWN—The biggest local police force, of which Mr. Jerry Jurkovich is the thoroughly competent chief, had a real job on its hands last evening when it attempted to stage a surprise raid on the Casino, owned and operated by Tom Maris, local financier and realtor. Mr. Maris has been doing quite a thriving business at his “hot spot” located at Alexander’s Beach.

The police received information as to the nature of the frivolities being enjoyed by patrons at the Casino.

"Nickie" Berg accused and found guilty

Judge Walter Barber today passed sentence on "Nickie" Berg, notorious slot machine king of Skagit County. Mr. Berg was accused and found guilty of inducing small boys to come in through the back door of local taverns and spend their nickles in Mr. Berg’s mechanical rockers.

This was not the first time Mr. Berg has been charged with illegal action connected with his racket, but he has always been able to influence the jury or Judge Barber’s alleged sweetheart, Miss Vi Premo of the Premo Canning Company. It is believed that this jury was picked immediately following Mr. Berg’s last trial and placed outside of the reach of all influence to await the next trial which was inevitable. As for Miss Premo, she has been in almost constant company of the Judge lately, giving up her passion for the machines. It is estimated that she lost nearly a quarter million to Mr. Berg’s machines last year.

"Nickie" Berg was sentenced to ten years on Hat Island, new State Penitentiary, to an added ten years’ sentence if he is caught within five years of a Nickie. When asked if he had anything to say, Mr. Berg said he would rock the world with the book he was going to write entitled, “Never Trust a Redhead.”

Motor Co. Mogul Leases Site For Service Station

Mogul of the Modern Municipal Mobile Motor Co., William Allen Dildine, was in Anacortes today to arrange the transaction whereby the company will lease the old building on the corner of A and 12th street. This site, across from the new civic swimming pool, the company plans to build a combination service station and automobile repair room.

One of the main industries in the town is the boiler shop, built plywood mill which was started by the lumber company, Walter Olson. This company employs 200 men. There are three of the graduates of our Anacortes high school working in the mill as foremen. They are Bernard Northrup, foreman of the sawmill; Paul Burkard, foreman of construction, and Elisha Berenson, Jr., foreman of the stock room.

Another of the thriving job-giving industries is the giant ship-building firm of Dildine & Nokey, which is still doing a thriving business despite the world's war. The company expects to have the first ship finished in eight or nine years.

This week, the waterfront rehabilitation project, supervised by Miss Anna May Smith, has been completed, and soon will be the new home for the city's people.

Paul Fee Promoted

Miss Ruth Fosso has decided to leave her job in the old soldiers' home originally started by Miss Lydia Chiabai and Miss Kay Rydberg in Anacortes. Miss Ruth Fosso has decided to leave her job in the store. She is planning to be married again in the near future.

LOCAL ITEMS

Mr. Bueh Berenson, owner of the Berenson newspaper syndicate, and his wife, the former Roberta Redd, were visitors here yesterday. They spent the majority of their time with Miss Ruth Fosso, who is to be married Wednesday to the lumber magnate.

Mrs. Pat Wynn sent her little son, George, off to school last week at the tender age of five. The Rogers and the Fosso families have all been in town for the past week and have been enjoying the company of their friends.

Mr. Fee stated in a recent interview that the plans to bring many innovations to the store. "We plan to add a tenth floor to the present building for a men's beauty salon," he said. "We also plan to have a new window display and remodel the front of the store." Mr. Fee is confident that the store will become one of the most popular in town.

YOKLE BOY MAKES GOOD

Today the town of Anacortes was honored by a visit from that famous star of television and screen, the versatile Slapstick Prettyface, better known in Anacortes as Mr. Donald Withers. He adopted the name Slapstick Prettyface at the suggestion of one of the most influential producers of Hollywood, Bueh Berenson and Berenson is also from Anacortes and an alumnus of the Anacortes High School. Mr. Donald Withers received his start in the stage by playing bit parts in plays in his high school days. He also tried to put on several sketches which usually pleased the smallest boys and girls.

When asked how he came to rise to his present star status, Mr. Donald Withers answered, "My power over women, which has been evident ever since I decided to grow a mustache, has given me some of the deciding factors in my sudden rise in the motion picture industry. Any number of girls or women who have seen him in his recent pictures "The Lover from Cape Santa" have seen what he can do if he really puts his mind to it. Mr. Donald Withers, or rather Mr. Prettyface, is staying at the James Tingley Super Deluxe Hotel on 3rd Street.

Giving way to the sleepy warmth of a leaf-shadowed spring afternoon, the old mill has closed its doors and thrown the grinding out of gear.

Another unit of work has been accomplished; there will be a period of many warm, lulling days before the wheel again starts turning.

Desirous as those warm lazy days to come may be, the coming of fall and days that strip away our sleepiness will be welcome to those that are returning. Some are going to a larger mill, but spring or fall, winter or summer will not make them forget this little mill.
