

ANACORTES HISTORIC LANDMARK REGISTRATION FORM

This form is used to nominate properties to the Anacortes Register of Historic Places. The Board's "Researching Your Old House" guide will help with uncovering the significance of the property. Complete each item by entering the requested information. Tab, arrow keys, and point-and-click actions will move from one entry field to the next (hints appear on the status bar along the bottom of the window). Please note that you will only be able to access fields that require your input and that you will not be able to make entries in spaces reserved for the Board staff.

If you have questions, please ask.

9. STATEMENT OF SIGNIFICANCE

Applicable Designation Criteria:

(Mark "X" in all the boxes that apply.)

- 1. It is associated with events that have made a significant contribution to the broad patterns of national, state or local history.
- 2. It embodies the distinctive architectural characteristics of a type, period, style or method of construction, or represents a significant and distinguishable entity whose components may lack individual distinction.
- 3. It is an outstanding work of a designer, builder or architect who has made a substantial contribution to the art.
- 4. It exemplifies or reflects special elements of the City's cultural, social, economic, political, aesthetic, engineering or architectural history.
- 5. It is associated with the lives of persons significant in national, state or local history.
- 6. It has yielded or is likely to yield important archaeological information.
- 7. It is a building or structure removed from its original location but which is significant primarily for architectural value, or which is the only surviving structure significantly associated with an historic person or event.
- 8. It is a birthplace or grave of a person of outstanding importance and is the only surviving structure or site associated with that person.
- 9. It is a cemetery that derives its primary significance from age, from distinctive design features, or from association with historic events or cultural patterns.
- 10. It is a reconstructed building that has been executed in a historically accurate manner on the original site.
- 11. It is a creative and unique example of folk architecture and design created by persons not formally trained in the architectural or design professions, and which does not fit into formal architectural or historical categories.
