City of Anacortes Consolidated Plan: 2020 & 2021 Action Plans

The Consolidated Plan is the planning and application requirements for the City's Community Development Block Grant (CDBG), a program administered by the U.S. Department of Housing and Urban Development (HUD). The Consolidated Plan includes yearly Action Plans that describe how CDBG funds will be used to help the City meet the community development needs. A revision to the Action Plan is being initiated to include additional projects.

The purpose of this notice is to announce the timing of a 30-day comment period beginning June 29, 2022 and ending July 28, 2022. The Action Plan Amendment will be available for review during this 30 day period.

The amendment will reallocate funding from the Housing Authority Reroof activity from 2021 to the Anacortes Family Center 2021 activity The Landing. An amendment of the 2020 Action Plan to apply left over funding will also be considered to fund a public facilities project to improve a sidewalk ramp to accommodate mobility impaired individuals when navigating to businesses and entertainment within our community.

The public and any interested citizens are invited to review and comment in writing on the amendment. Written comments may be submitted to the City of Anacortes Planning Department, P.O. Box 547, Anacortes, WA 98221 or by email to joanns@cityofanacortes.org. Written comments must be received no later than July 28, 2022 at 5:00 p.m. The City considers the views of all citizens, public agencies, and other interested groups in preparing the Action Plan Amendment. A summary of the comments received will be listed as an appendix in the amendment.
