Introduction

The City of Anacortes has $35,081.17 in Covid funding, which will be used to prevent, prepare for, and respond to the coronavirus (COVID-19). This funding will be allocated through a 2022 Annual Action Plan amendment. The City plans to allocate the funds as follows:

1. **2022 Annual Action Plan – CV Funding.** In an effort to respond, prepare for and prevent possible spread of COVID-19 coronavirus, the City of Anacortes has $35,081.17 CDBG-CV funding to allocate to a public services activity to help support temporary cold weather shelter for homeless individuals in Anacortes. This funding will allow homeless individuals and families shelter from January 2023 through April 2023. The homeless individuals will work with the Anacortes Family Center for placement in one of two local motels that will provide protection from harsh winter conditions. This will ensure that people living without shelter during the coldest part of the year can maintain distance to avoid spreading the virus. This funding is expected to assist approximately 20 individuals this winter. This funding cannot duplicate funding provided by other sources.
