This map was created from available public records and existing map sources, not from field surveys. Map features from all sources have been adjusted to achieve a "best fit" registration to the ownership parcels map. While great care was taken in this process, maps from different sources rarely agree as to the precise location of geographic features. The relative positioning of map features to one another results from combining different map sources without field "ground truthing". This map only depicts city facilities and spaces that are available to rent, reserve, or for public use, excluding campground/campsite rentals, as of November, 2022 and are subject to change. To rent, reserve, or for more information, please visit our website at www.cityofanacortes.org or by calling (360) 283-1918.
